Dear Parents and Friends,
Welcome back for another Term of exciting learning at Ironbark Ridge. A warm welcome is extended to our new families. We hope that you will enjoy your time with us and make many new friends. If you have any questions regarding the school our office staff and P&C members are full of knowledge and experience and more than happy to help you.

Education Week
Education Week is only two weeks away (Week 3) and we hope that you will be able to join us in our celebrations. Many of our students will be performing at Castle Towers on Monday, our school “Showcase” including our book fair is on Wednesday and our Athletics Carnival on Thursday. Obviously we don’t expect that you will be able to attend all of the events but hope you will be able to join us on at least one of these days. We are very proud of our students and their achievements and love to have the opportunity to display their talents. An invitation is included in this newsletter.

Student Representative Council (SRC)
We have decided to change our SRC representatives each semester so that more students have the opportunity to take on a leadership role in the school. We have discussed this change at P&C and with the SRC students themselves. We will conduct elections in all classes shortly and will let you know when the induction ceremony will take place. Thank you to those students who did an amazing job of representing their class in Semester 1.

Selective High School Results and Opportunity Class Test for 2014
Congratulations to all our students who have received placement offers for Selective High Schools in 2014. You have worked hard to gain placement and we wish you the best next year. Many of you will be disappointed with the offer you have received or if you have missed out entirely. Remember, this is a very competitive process and unfortunately not everyone that applies can be accepted. Whichever high school you attend I know you will grow and develop to become the best person you can.

Applicants for Year 5 placement in an opportunity class in 2014 are required to take the Opportunity Class
Placement Test to be held from 9.00am to 11.15am on:

**Wednesday 24th July 2013.**

at Riverstone High School
McCulloch St
RIVERSTONE NSW 2765

You should already have received a letter with this information from the Selective Schools Unit.

**Departmental Changes**

Some of the new structures in the Department commenced this week. Schools have moved into new groupings – our group is still called “The Hills” and we will be part of Team 1 when regions finally go (Western Sydney will no longer exist in the new structure). We no longer have School Education Directors (SEDs) but Directors, Public Schools whose roles will be different than that of the SEDs. Our Director for The Hills has not been appointed as yet. We currently have a relieving Director, Mr Jeff Bruce, until a permanent Director is appointed.

**Professional Learning**

We have a large number of teachers attending professional learning courses in the coming weeks. Please be supportive of our teachers as their ongoing learning will benefit our students in many ways. If training is held during school time we do our best to employ a trained “casual” teacher for the day. These teachers are all approved by the Department to work in our schools and most children have an enjoyable, fruitful day.

This fortnight, for example, teachers are attending training on our new English Syllabus, Reading, Student Welfare, Mathematics and Chinese. We are fortunate to have well-trained, hard-working teachers at Ironbark Ridge who are keen to keep up-to-date and further their knowledge of the art of teaching.

**Northern NSW Interschools Skiing Competition**

Congratulations to Lachlan G and Emily G for their outstanding performances in the Northern NSW Interschools Skiing Competition. Lachlan came 17th in the Moguls group and 20th out of over 100 skiers in the Alpine event, skiing against much older participants.

Both students are now through to the State Competition in late August. We wish you well in the next events.

Have a wonderful fortnight,

**Anne Forbes**  
Principal
Deputy Principal’s Report

It’s been a mixed bag over the last few weeks on the sporting field! The Socceroos pulled out their best performances to qualify for the next world cup, our women’s team won the Rugby League world cup, and the Wallabies pushed the British Lions to the limit (although lost closely). Cadel Evans has tried hard but not quite had the mountain climbing stamina we’ve seen in previous years, and our cricketers and the GWS Giants… well.

No doubt there were many happy students and families after receiving their school progress reports at the end of last term. However, just like our sporting heroes, I’m sure there are a few who will need to make changes and improvements in the second half of the year in order to achieve better results.

Life’s like that!

Sometimes we all find ourselves having to evaluate our own performance honestly, realistically. Research shows that receiving constructive, honest, descriptive feedback has the greatest positive impact on student learning out of all interventions by teachers. As parents it’s our job to guide our children to carefully examine the feedback and set new goals for the future!

New students (and Open Day)
As a growing school in a rapidly developing area of Sydney we are constantly welcoming new students and their families into our fantastic learning community. I have thoroughly enjoyed meeting new mums, dads and children this week and encourage you all to say hello to each other as you encounter new faces in your travels. Education Week (in two weeks) is a great opportunity for those of us who’ve been here a while to meet new members of the school so hopefully we’ll see you all on Open Day, Wednesday 31st July for some time in the classrooms as well as a concert showcasing our performing arts groups. Look out for more details in the form of a special invitation later in this newsletter.

Tests…
Results and certificates have arrived from the University of NSW Science test (ICAS) held earlier in the year. These certificates have been presented to students at this week’s assembly and are accompanied by a detailed results analysis sheet.

Important to know: these ICAS tests often include questions and concepts that are not necessarily included in the NSW syllabus for your child’s grade or stage – in order to challenge the most able students!

It is wonderful to see that so many Ironbark Ridge students participated in the experience and our results are excellent. Simply sitting tests such as these is a good learning experience for our kids as unfortunately exams are a part of our NSW schooling system, becoming more frequent as students grow older.

Parent Reading Helpers… please!
As part of a school Learning Support Team initiative we are asking any available and interested parents to be a part of a targeted reading development program. The program is designed to support the learning of several Stage 1 students in reading and will operate from 9-10am each morning of the week. If you are interested please see me, drop into the office and register your name, or call/email the office to let us know.

ADHD vs. physical, active kids
ADHD is a neurobehavioural disorder that affects up to 7% of our students in schools and is characterised by inattention, impulsivity and the inability to properly process information quickly enough to follow multi-step instructions. ADHD is very different to students simply being overly active and physical in the behaviour choices. Diagnosis of ADHD is a standardised process that must be spread over at least six months’ worth of consistent observation and can only be conducted by a medical professional such as a paediatrician. Effective parenting/classroom management strategies can only go a small way towards assisting a child diagnosed with ADHD to maximize their learning potential… the approach must be multifaceted! Often this involves medication and/or dietary modifications.

Very active, physical students do not necessarily have ADHD and it is misleading when we hear them being labelled “ADHD kids” without a medical diagnosis. Strong, consistent boundaries and effective parenting strategies can be extremely effective with these loud, active, physical students as there is no neurological disorder involved. These children can, when supported, make responsible behaviour choices.

The Ironbark Ridge Learning Support Team regularly provides guidance and support to classroom teachers with strategies and resources to help maximise each student’s individual learning.
Parents of children with diagnosed ADHD are encouraged to attend the upcoming free support program at Macquarie University as it may provide guidance and additional strategies to help your child to learn effectively in the classroom as well as in other outside-school situations. More information is included later in the newsletter.

Yours in lifelong learning,

Nick Thomson  
Deputy Principal

EDUCATION WEEK SHOWCASE 2013

Grandparents Day & Open Day

You are invited to attend Ironbark Ridge Public School for Grandparents Day and Open Day!

Wednesday 31 July 2013 from 10:15 am

Come and see the classrooms in action. Have recess with your child/grandchild, then see the students performing in our wonderful Education Week Assembly starting at 11:45 am.

Visit our fantastic library for Book Week! Purchase a book from the book fair to take home and/or donate to our school library.

HOPE TO SEE YOU THERE!
“Celebrating our Stories”

Education Week Showcase 2013

Parents, friends and members of the community are invited to join Ironbark Ridge Public School in celebrating Education Week 2013 with performances at Castle Towers.

Groups performing:

- Senior Girls Dance Group
- Stage 2 Dance Group
- Year 1 and 2 Dance Groups
- Junior and Senior Choir
- Band

**When:** Monday 29th July, 2013

**Time:** 11:30am

**Where:** Castle Hill Towers – Stage Area
(the stage area at Castle Towers is located beside David Jones and opposite Pumpkin Patch)
BOOK FAIR 2013

To celebrate Book Week and Education Week, our annual Book Fair will be held on Wednesday 31st July in the School Library. Parents and students can purchase books or donate books to the School Library. The Library will be open from 8.30 am to 4.30 pm.

The theme for 2013 is READ across the UNIVERSE

Thank you
Judy Paton

LEARNING AND SUPPORT TEACHER - Update No.2

Welcome back from the holidays. We are quickly settling back into term 3 and are busy finalising the support frameworks that will be implemented this semester. Reading assessments are currently being conducted to assist with the grouping of students for this semester’s intake in the Fountas and Pinnell Levelled Literacy Program. Parents will receive a letter over the next few weeks if their child will be participating in this program. Please note that some students will be continuing with the program from last Semester.

The development of social skills and strategies is essential in preparing children for building positive relationships at school and outside school life. Social skills are complex and involve a high degree of problem-solving behaviours. At Ironbark Ridge P.S. we implement many programs to support the acquisition and growth of the types of social skills required to interact at both group and individual levels. Two targeted programs that we are currently implementing include:

PALS Social Skills Program: This program teaches young children about greeting others, listening, sharing, taking turns, dealing with feelings of fear, sadness and anger, and solving problems. While many children appear to learn these skills with little difficulty, there are a number of children who require extra support from their teachers and parents in order to do so. As children spend more time watching television and DVDs, and playing computer games, they have less time for social activities. Consequently, children may need additional help to learn social skills. This program has been found to be effective in helping
children develop socially skilled behaviours. A small group of Kindergarten students have been selected to participate in the PALS Social Skills Program. Miss Baracz works with these students on a Friday afternoon after lunch.

**Playground Social Skills Support:** Mrs Robson works with individual students that have been identified through the Learning Support Team as requiring extra support and guidance in the playground during break times. With the student, specific goals are established and together, Mrs Robson works with the student in the playground to learn and develop a specific set of self-related skills and behaviours. The aim of this program is to promote success in the playground for the identified student. This involves developing and maintaining positive social rapports with age appropriate peers whilst engaging in a variety of fun experiences and as a result assists the student with returning to class in a calm and relaxed manner.

Mrs Robson

**KINDY CAPERS:**

Welcome back to all our Kindergarten families. We hope that you all had a great holiday and look forward to the exciting term ahead.

In Term 3 Kindergarten students will start to receive weekly homework. Please provide your child with an A4 lined homework book that doesn’t have a spiral spine. Kindly cover and clearly label homework books including first, surnames and class. Please send in homework books by the end of Week 1 Term 3 as homework will start in Week 2. In all Kindergarten classes homework will be sent home on Friday and returned on Thursday of the following week. The same will now apply to Home reading. Bug Club will continue.

Keep sending library bags along on Tuesday. Sport clothes will need to be worn on Thursday this term.

Chinese programs will remain unchanged for the first few weeks.

Kindergarten will be visiting Calmsely Hill City Farm on Monday 12th of August. Please ensure that notes and money are returned by Monday 5th of August 2013. You will need to tick both boxes on permission notes to allow your child to go on the tractor ride and be sure to provide class teachers with any allergy information as students interact with animals at the farm and will be in outdoors for the majority of the day. Also keep sending notes and money for the Henny Penny hatchlings that will be arriving during Week 3.

Unfortunately this week Miss Dennis from Kindy Dreamtime has had an emergency knee reconstruction. We all miss her very much and hope that she has a very speedy recovery. Mrs Dighton will be teaching Kindy Dreamtime while Miss Dennis is recuperating for two weeks.

Have a great weekend and enjoy the opportunities provided by our cool winter days. Remember to keep visiting our wonderful Rouse Hill Library.

The Early Stage 1 Team

**CHINESE NEWS:**

Nǐmen hǎo! 你好

This term I am very excited to begin our new Connected Classroom initiative with the OC classes, 5H and 6D, who will be connected via a video link with a native Chinese speaking teacher for their lesson each week. I will be there to facilitate the lesson and assist the students to complete their tasks which will continue to develop all four language skills - reading, writing, speaking and listening. It also provides a wonderful opportunity to extend our students who come from Chinese speaking families. Although this teaching method has been used in high schools for some time, this is the first time it has been done in a primary school, so we are very privileged to be taking part in this initiative.

Mrs Przyrembel
Chinese Teacher K-6
PSSA SPORT: TERM 3

WEEK 1 19.07.2013

NETBALL: Commercial Road, Kellyville (Court 8)
NEWCOMBE BALL: Rouse Hill Public School, Rouse Hill
RUGBY LEAGUE: Kellyville Park, Memorial Avenue, Kellyville
BOY’S SOCCER: Second Ponds Reserve, Rouse Hill
GIRL’S SOCCER: Paterson Reserve, Quakers Hill (Torbert Ave. Quakers Hill) Field 2

WEEK 2 26.07.2013

NETBALL: Commercial Road, Kellyville (Court 8)
NEWCOMBE BALL: Rouse Hill Public School, Rouse Hill
RUGBY LEAGUE: Kellyville Park, Memorial Avenue, Kellyville
BOY’S SOCCER: Newbury Oval, Kellyville Ridge
GIRL’S SOCCER: Mihkelson Reserve, Quakers Hill (Maslin Cres, Quakers Hill)

ADMINISTRATION NEWS:
Please remember to put all notes with money in a sealed envelope. As you can imagine, the volume of money coming into the office makes it difficult if it is not in an envelope. Notes and payments should be handed into the office or placed in the Green Box on the reception counter, before school each day.
Thank you
Admin. Staff

ENROLLMENTS FOR 2014
Applications for Non Local Kindergarten Enrolments for siblings need to be handed into the Office A.S.A.P.

Enrolments for our In Area Kindergarten Students for 2014 are now also being accepted.

SCHOOL BANKING DAY REMINDER:
Don’t forget that Friday is School Banking day and students should bring in their weekly deposit.
For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. The first token will be received upon the first deposit at school. Once students have individually collected 10 tokens they can then be redeemed for a range of great, exclusive reward items in recognition of their continued savings behaviour.

Thank you for supporting the School Banking program.
P&C/FUNDRAISING AND CANTEEN NEWS:

Another start of term bulletin was sent out to let parents know the return to school date along with other important dates for the start of term to ensure you have an easy return to school. We do hope you find these helpful and appreciate your feedback, email me anytime president@irpssc.com and let me know if we should keep doing them for you.

PARKING PROBLEMS

The return to school brought with it the growing frustration associated with the parking outside the school in the ‘No Standing Zone’ affectionately referred to as the Kiss & Drop area. With the swift development of the land opposite the school came the loss of parking spaces where driveways have appeared. This put more pressure on the available spaces. It is good to see the majority of parents being patient and cautious doing the right thing. BUT there are consistently a few who are doing the wrong thing, putting their own and others children at risk.

This is the banner that hangs on the fence outside the school.

NO STANDING means you can stop long enough to get out of your car, open the boot or passenger side doors to let your children out, give them a kiss and wave off, then jump back in and move on. It DOES NOT include getting out of your car and going into the school, or doing hair, or hanging around for a chat. If you have time for that you need to find a parking space elsewhere.

BUS ZONE means NO PARKING at anytime. No questions. No correspondence entered into. You will be asked to move on. Or FINED.

The council rangers will be at our school on a regular basis until the legal parking rules can be properly adhered to. Heavy fines will be issued if this problem continues. This may sound harsh to some, but if you are not doing anything wrong then you have nothing to worry about. Our school is only going to get larger in the years to come and a positive parking culture needs to be firmly embedded now.

OPEN DAY CANTEEN

Please be aware that on Open Day Wed 31 July of week 3, the canteen will only be open for morning tea sales over the counter. No regular lunch services will be provided as most children will be taken home or have had a picnic with parents and grandparents. In addition the parent volunteers want to see their childrens classes also. We do need a few volunteers during the morning tea session to help with over the counter sales.

Thanks
Leigh Kostianen - Pres

Wow! **A HUGE THANK YOU** to the wonderful Parents and friends of Ironbark who helped us achieve such an amazing amount of points this year! We had hard competition this year, with Day Care Centres and Pre-Schools also included in the promotion, which meant that the stickers were spread around a lot more. Plus, with no “double points” promotions, nor any “extended time” – we did a FAB job getting as many as we did, so again, THANK YOU!

The counted cards have now been sent for validation to Woollies, and some time shortly, the teachers and staff will be given the go ahead to start purchasing some amazing supplies for the school. We should receive all the goodies some time later in the year, so I look forward to seeing our new supplies!

As you can imagine, sorting, counting and sticking THOUSANDS of loose stickers and cards is not an easy task, and whilst a lot of people did stick the stickers on cards, more than not were loose. My faithful and ever so helpful co-ordinator **Jo Bustin**, needs a HUGE thank you for helping co-ordinate such a big task. She spent hours and hours collecting and sticking, and also helping with collecting the stickers from the box at Town Centre, so a BIG **THANK YOU JO-JO!!!**

A BIG Thank you to 3 other amazing helpers – Firstly **Brad Greentree** for so kindly printing hundreds of Woolies cards for us (at no charge and ever so efficiently!) and the next 2 little helpers are **Kaitlin C** and **Saffron B** of 2M who helped us every single week since day 1 of the promotion by sticking THOUSANDS of stickers on cards for us. Thanks girls xx
Thank you all again, so very much for all your collecting! With your help the school will be much better off with fantastic new resources!

**Monica Calderwood & Jo Bustin (Earn & Learn Co-ordinators 2013)**
