It's a busy week for everyone! "Celebrate Our Stories" during Education Week. On Monday, we performed at Castle Towers showcasing our students’ talents. They were amazing in both their performances and their behaviour. Yippee! As always we were extremely proud of them. Hopefully there will be some photos in the local newspapers and we will publish some in our newsletter and on our web site (if we get permission from the newspaper). Watch this space!

On Wednesday we had our Open Day and Grandparents Day. The weather could have been kinder but spirits were high and we couldn’t have been prouder of our students. The classrooms all looked inviting, displaying lots of work and I know teachers were keen to show off their classroom programs. Our assembly may have been long but so many groups were keen to perform that it was hard to say no to any. Weren’t they amazing – dancing and singing and just having a great time. Our band and new drumming group were quite impressive, particularly remembering that our drummers have only been learning for three weeks! We hope you enjoyed watching them all. I do apologise for the performance space but now that we have grown it is hard to find a space big enough to fit us all. Our book fair seems to have been an amazing success as well which means we will receive a host of new books for our library. Thank you to all our families who joined us on this day.

On Thursday we are having our Athletics Carnival – weather permitting. This newsletter is written on Wednesday so I don’t have details as yet but I know it will be an amazing day. Thank you to everyone responsible for the organization of all three days. It was a lot of work but ultimately worth it.

Just a friendly reminder that all photos and videos taken at these events are for personal use only. They should not be made available via Facebook or any other electronic means. The events are official school events and should be enjoyed and shared in a positive manner.
events and distribution of any photos require consent from all parties involved.

**Enrol Now for Kindergarten 2014**

**Urgent** - If you have a child who will be starting Kindergarten at Ironbark Ridge P.S. in 2014 please come in and fill out an enrolment form. This is the time of year when I am expected to put in our numbers for 2014. At this stage it is looking like we will need an extra classroom. Obviously there is a great deal of planning required for this to occur so the more accurate we are the better for everyone.

**Reading Resources**

We have just purchased a further $20 000 worth of reading materials for the school. This includes more home readers, another reading scheme that has both fiction and non-fiction readers, reading boxes for Stage 2 and 3 classes, readers and magazines involving our local footy teams, big books and story cards for sharing with whole classes. We believe this will support our students to achieve their best in reading.

**Walkathon**

Our SRC is currently planning a walkathon for later this term. This will be our major school fundraiser for the year supporting our 21st Century Learning project and the purchase of technology to support it (ie iPads). Our goal is to have a class set of iPads per Stage by the end of this year. We currently have enough to roll out K-2 and Yrs 3-6 sets. This means we need an additional 60 iPads before the end of the year. Our target for the Walkathon is $12 000 – half of the money we need for our project. I believe we can achieve this if we all get behind it.

Our technology is rolling out, our professional learning to support it is happening and the children who have been involved in our trials are loving it – but we do need your support.

Have a wonderful fortnight,

Anne Forbes
Principal

---

**DEPUTY PRINCIPAL’S REPORT**

**Happy Education Week, everyone!**

Today’s open classrooms, Grandparents day, book fair and whole-school performance concert were a fantastic opportunity to experience the outstanding learning community we are all a part of here at Ironbark Ridge. Our students are amazing! In each and every classroom we saw engaged, proud learners and teachers. At the concert we all witnessed numerous outstanding dance, singing and band performances. The hard work and time put in by students and teachers was in full view. Well done to everyone, and thank you for your support as parents and community members – the partnership between school and home is so important to the successful learning outcomes our students achieve.

**Sport – the fundamentals!**

In an effort to support the development of skills and confidence in our non-PSSA students we have enlisted experts from the GWS Giants development team. Each Friday morning this term our 3-6 students and teachers have the great opportunity to build all of the 12 fundamental movement skills; catching, dodging, leaping, running, etc. From our perspective as teachers we’ll feel successful when every student displays the confidence and skills to be selected to represent our school in weekly PSSA sport. We trust all students will take the chance to be a part of this exciting program… all who do will receive a gift pack from the Giants as part of their enrolment fees. More importantly, they’ll get expert coaching and 8 weeks of engaging skill development.

**Castle Towers performances**

On Monday a large group of our students and teachers travelled to Castle Towers shopping centre to showcase their talents. All of our dance groups, choirs and band who attended were outstanding in not only their musical skills but also in their behaviour. A huge thanks to our travelling support group of parents and family members who made all of our student performers feel like rock-stars!

Playground card games
We have recently had a number of negative incidents occur in our playground involving card games. In some cases students have been trading, winning and taking others' cards home. As a result we are reviewing the games and rules that our students are using. In the meantime we have asked that cards remain at home until our Student Representative Council (SRC) has a chance to draft a response to the current issue. Staff are keen to resume card games such as 'Magic', 'Pokemon' and 'Yu-Gi-Oh' as they are normally a positive influence in our playground. I'll update students as soon as possible.
US funny man Bill Cosby once said that parents aren’t interested in justice when their children fight; they just want peace.
I’ve got to agree. So often we go to the child who will most likely listen and enlist their help to make peace.
“Just give it back. I know he shouldn’t have taken it but I just can’t stand the fighting!” Anything for some quiet!

However I think smart parents continuously coach their children in the art of resolving sibling conflict peacefully, or at least with a minimum of noise and disruption.

Here are some conflict **resolution tricks** to teach your kids:

1. **Encourage them to read their siblings** so they can avoid negative situations. This is all about avoidance and stopping fights before they start.
2. **Teach children how to set boundaries.** “You can come into my room but you have to stay out of my toy cupboard. Ok?”
3. **Praise problem-solving.** Make a fuss when they work things out peacefully whether it’s compromising, taking turns or one child just giving way.
4. **Help children identify the triggers** for getting upset themselves and also when their sibling is likely to lose their cool. We all have hot buttons that when pressed will trigger an over-reaction. Help kids work out their hot buttons.
5. **Reinforce with kids that they need to regulate their responses** when a sibling presses their hot buttons. Kids don’t have to fight, argue, yell or whatever when a sibling gets up their nose. Give kids alternatives to their war-like responses. “Go to your room if he continues to annoy you.”
6. **Teach respect.** Respectful treatment is at the heart of civil relationships. Keep reminding kids to treat each other with respect; stick to dignified behaviours and also to stay within the rules of fair play.
7. **Ensure restitution.** Perhaps the biggest lesson kids can learn is to restore a relationship after conflict. “How can you fix this?” is question many kids need to hear.

Parenting should reflect real life as much as possible. In the world outside families, people don’t always like each other but they do need to get on with each other. These lessons about getting on are best learned in your family as a child.

Yours in lifelong learning,

Nick Thomson
Deputy Principal
Term 3 - Week 2

PRINCIPAL: 3/4 Pelicans for classroom work
K BLINKY BILL: Oliver, Harry, Kiarna
K DREAMTIME: Chais, Oliver, Jeannette, Elise

5/6 KIRRIBILLI: Pranav, Tom, Suriah, Katrina
5/6 MINTIES: Harrison, Latiesha, Zara, Darcy, Aaliyah

CHINESE: 6 Daintree

STAGE 3 SNIPPETS:
What a busy and exciting Education week it has been for Stage 3!
On Monday choir and dance groups gave wonderful performances at Castle Towers. Open and Grandparents Day on Wednesday was a great success. A big thank you to all the parents, caregivers and grandparents who came to visit our classrooms and watched us sing 'I am the Earth' at the assembly. The athletics carnival on Thursday was a fun way to end Education Week. It was great to see all of Stage 3 having a go and cheering each other on.

Stage 3 Teachers

KINDY CAPERS:
What a great week it has been at Ironbark this week. Many thanks to all the Mums, Dads and Grandparents who came along to Open Day. We know that you will have enjoyed the dance group and beautiful Kindy voices as much as we did. It was fantastic to see so many families talking to students about their work and all the learning that has been taking place so far this year. The Book Fair was brilliant! Well done on all the purchases made. Congratulations also to our Kindy students for their participation in the Ironbark Athletics Carnival and a huge
pat on the back to all the families that came along to cheer them on.

We trust that all Kindy families are enjoying doing homework. If you haven’t already done so, please provide your child with an A4 lined homework book that doesn’t have a spiral spine. Kindly cover and clearly label homework books including first name, surname and class. In all Kindergarten classes homework is sent home on Friday and returned on Thursday of the following week with home readers. Keep sending library bags along on Tuesday. Sport clothes will need to be worn on Thursday this term. Chinese programs will remain unchanged.

Kindergarten will be visiting Calmsely Hill City Farm on Monday 12th of August. Please ensure that notes and money are returned by Monday 5th of August 2013. You will need to tick both boxes on permission notes to allow your child to go on the tractor ride and be sure to provide class teachers with any allergy information as students interact with animals at the farm and will be outdoors for the majority of the day. Please ensure that children dress warmly and bring a raincoat, hat and water bottle on the day. Send lunch and snack items in disposable wrap and bags, not lunchboxes so that children can throw out excess items as the day progresses. Pack all items for the day in strong plastic bags with handles so that students are not burdened by heavy backpacks. Please write your child’s name and class on the bag. Apply sunscreen before children come to school.

This week our eggs arrived from Henny Penny. As you have no doubt heard the chicks have started to hatch and are absolutely beautiful.

We are delighted to say that Miss Dennis is now back at school following her knee operation. Many thanks for all your well wishes. Kindy dreamtime also has a student teacher Miss Kylie Ingrey and we welcome her to Ironbark.

Be sure to keep visiting the Rouse Hill Library in spare time and take advantage of their great selection of levelled readers. Have a great weekend!

The Early Stage 1 Team

MUSIC NEWS

Please note that all lessons missed due to a variety of school activities and absence will be made up between weeks 5 and 10. All students affected will be given a copy of their lesson timetable as will teachers. Please check these timetables so that students can attend their lessons at the correct time and on the correct day. Thank you for your cooperation in this. Ironbark Ridge certainly is a very busy school!

Hearty congratulations to all students who performed at Castle Towers and at the Education Week Open Day. Well done to you all, especially to our newest ensemble, the IRPS Djembe Ensemble upon their debut.

Should you have any queries please contact Mrs Stella Talati directly via stella@talatimusic.com.au or 0422-109-397.

IMPORTANT REQUEST FOR ALL MUSIC PARENTS:

We are in the process of establishing a database of email addresses so that we can further improve our correspondence with music parents. It would be greatly appreciated if you could send an email to stella@talatimusic.com.au from your current email address, stating clearly the student’s name and year, by Friday 9th August, 2013. Thank you in advance for your cooperation in this.

Mr & Mrs Talati
IRPS Music Programme Coordinators
PSSA SPORT: TERM 3

WEEK 3  02.08.2013

NEWCOMBE BALL: Rouse Hill Public School, Rouse Hill
RUGBY LEAGUE: Kellyville Park, Memorial Avenue, Kellyville
BOY’S SOCCER: Russell Reserve, Rouse Hill
GIRL’S SOCCER: Paterson Reserve (Field 1) Quakers Hill (Torbert Ave, Quakers Hill

ADMINISTRATION NEWS:
Please remember to put all notes with money in a sealed envelope. As you can imagine, the volume of money coming into the office makes it difficult if it is not in an envelope. Notes and payments should be handed into the office or placed in the Green Box on the reception counter, before school each day.

Thank you
Admin. Staff

ENROLMENTS FOR 2014
Applications for Non Local Kindergarten Enrolments for siblings need to be handed into the Office A.S.A.P.

Enrolments for our In Area Kindergarten Students for 2014 are now also being accepted.

SCHOOL BANKING DAY REMINDER:
Don’t forget that Friday is School Banking day and students should bring in their weekly deposit. For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. The first token will be received upon the first deposit at school. Once students have individually collected 10 tokens they can then be redeemed for a range of great, exclusive reward items in recognition of their continued savings behaviour.

Thank you for supporting the School Banking program.
STUDENT MEDICAL FORMS:
During Terms 3 and 4 we will be updating our medical records systems to ensure we have the most up-to-date information on your child’s health.

Copies of the new forms have been given to the students for you to fill out and return them to us as soon as you can.

The new forms will help us collect your child’s important medical information and the introduction of new systems will mean we’ll be able to better manage the daily and emergency health needs of your child.
We appreciate your support as we start collecting the information and if you have any questions please call the office.

Admin. Staff

P&C/FUNDRAISING AND CANTEEN NEWS:
I always feel like Term 3 is so busy … apart from that being true, we all lose a couple of hours a day, either staying in bed a little longer in the morning or just closing up the house early when it starts getting dark … I just always feel rushed! I know this is the same for most of us.

Your time is precious and hard enough to come by but term 3 is always the most difficult time for us to staff the canteen, uniform shop and other P&C supported events like the sports carnival, and I ask that if you can manage just one shift in the canteen or at a BBQ your help will be enormously appreciated. It only takes one short shift to make a big difference.

The car parking at the front of the school seems to be flowing well and working as it should. Thank you to everyone for your patience of one another and the council rangers. Their feedback was very positive and they will continue to work closely with us.

Dates to Remember
2 Aug - Student Bank Acct Opening Day
22 Aug - Canteen Orientation Tour
29 Aug – Father’s Day
14 Sept - Election BBQ
15 Sept - Bunnings BBQ

Our student banking rep from the CBA will be opening student banking accounts on 2 August between 2.30pm and 3.15pm. Bring your driver’s license and child birth certificate to open an account for your school children and younger siblings.

A Canteen Orientation day will happen in Week 6 (possibly Thursday) for one hour, so new parents can see what happens in the canteen during the 3 different shifts. This is intended to take the fear factor away from volunteering for the first time. We had a first time dad join us last week and while the heart rate got a work out initially, he settled in well and looked like he even had some fun 😊. We like seeing dads and grandparents in the canteen **hint hint**. Contact Mel canteen@irpspc.com.

Our major fundraiser of the year (and greatly anticipated from all accounts) will be our TRIVIA NIGHT in Term 4. That means it is time to put on your social hat and call in some favours with your connections to help secure some MAJOR PRIZES like a TV, Xbox, Bikes, Aussie Jerseys, something really cool basically!! Any help you can offer will greatly benefit the event. We are also seeking interest from Parent Businesses to become sponsors of our event. If you would like to gain some exposure for your business and help support our school resources please contact Sharyn Latham-Callcott sharyn.lc@hotmail.com. I have been privy to some of the huge plans the committee have got in store and they are going to blow your mind. More details coming soon.

The Entertainment Book will only be available this year online so you can still access its fabulous offers and we can reduce the people resources needed to manage the distribution and collection of books. Order your books and have them shipped to your door using our link: https://www.entertainmentbook.com.au/orderbooks/2144r91
