RELIEVING PRINCIPAL’S REPORT

It’s a great privilege to have the opportunity to lead our fantastic school for the next few months until the appointment of our new Principal. Although the end of each year is always hectic I look forward to seeing as many of you at our school whenever possible – at events such as our Celebration Day, at our parent volunteer Thank You Morning Tea, or at Ms Forbes’ farewell in a week’s time. We are holding a series of three parent information and discussion forums early this term and these will be an opportunity for working parents to visit the school later in the evenings when it is more convenient.

Anne

The departure of our recent Principal, Ms Anne Forbes, reminds us all of the important impact on the lives of others that teachers have. Anne has devoted 40 years of her life to educating young people and it is lovely to be given the chance to acknowledge this amazing effort. Although Ironbark Ridge only benefited from her insight and experience for just over two years we are all extremely thankful for her contribution. On Friday afternoon next week, 17th October, Ms Forbes will return to be officially farewelled by students, staff and parents at an assembly from 2-3pm in the school hall. Please join us for this fun time.

Ridges Festival of the Arts

This Friday our Kindy Dance group, Stage 1 Dance group, and Senior Choir will all perform at the Hillsong Convention Centre as part of the first ever ‘Ridges Festival of the Arts’. Two of our school leaders, Darcy and Katrina will also speak as MCs for part of the evening. This festival has been formed with schools from the ‘Ridges’ area to attempt to remain more local. Tickets are still available and will be sold outside the venue on the evening for $20 each. Seating is unreserved.

Parent Information Forums

We will be holding a short series of information nights early this term...

On Thursday 23rd October at 7pm Constable Rob Paterson will present a session on Cyber Safety – a fantastic opportunity to make sure you are keeping up with your children’s use of social media and discussing ways to ensure they stay safe.
The following week, on Wednesday 29th October, while your kids are in the hall for the SRC Halloween Disco, we are holding two sessions of an information session about our school's Student Wellbeing programs and how you can support them and use them at home.

On the following Monday evening, 3rd November at 7pm, we will be facilitating a ‘Purpose and Vision’ forum to discuss the direction Ironbark Ridge is heading in – a chance to share your ideas and hopes for the future of this wonderful school.

Halloween photo shoot
A couple of our extremely photogenic students, James B (Yr1) and Caitlyn C (Yr3), were recently included in a promotional photo shoot for Halloween costumes – what fun! Without wanting to promote any particular supermarket, check out the latest catalogues and in-store magazines and see if you can spot our Ironbark Ridge celebrity kids 😊

P&C Meeting
Our next P&C meeting will be held next Wednesday evening, 15th October. Please join us in the school Library from 7pm.

Kindy 2015
We are shortly beginning the classroom visit sessions that make up part of our annual Transition to Kindy program thanks to the wonderful organisation of Mr Brent. It is always exciting to meet our new young students and their parents as they visit our school. In-area enrolments for 2015 Kindy are still open so if you are aware of any families considering starting their children at Ironbark Ridge next year please encourage them to approach the school office as soon as possible to be a part of this great program.

Looking forward to a productive term,

Nick Thomson
Relieving Principal
Deputy Principal’s Report

Welcome back. What an action packed term we have planned at Ironbark Ridge! It will be very important to keep reading the newsletters and to keep your eye on the term planner. As always your support is warmly received and appreciated, and with several major administrative (office) changes happening during this term we especially request your flexibility and understanding. In Week 2 we will farewell Ms Forbes as she moves into retirement, a new beginning and a new phase of life. The staff at Ironbark Ridge invite you to share in the celebration of Anne Forbes’ long standing career in education and to wish her the greatest joy as she moves into her next exciting chapter.

As we begin Term 4 there is some regular housekeeping that needs to be highlighted.

Attendance
It is very important that all students are at school before the 9am bell. Important messages are given out during assembly. Preparation for the day and that early morning information is vital. If your child arrives 10 minutes after the morning bell then they need to present to the office for a late note. If you need to have your child leave school during the day then you need to present to the office to sign them out before you collect them. Any time off, for example a family holiday, during school terms needs to be approved by the Principal. Please contact the office for the relevant information regarding absences. If your child has been absent then we need to have notification of this when they return to school. Attendance is monitored by our Home School Liaison Officer.

Uniforms
Our school uniform represents the pride we have in our school. Often there are a lot of expensive school uniforms or equipment left in lost property. Please ensure that all clothing is clearly labelled as our lost property basket is usually filled daily. Texta markings do tend to wear off and it has been quite difficult to match students to items of clothing. We do our best, but clearly labelling or checking current labels, would be even more helpful in returning clothing. Any lost property can be found outside the hall in the lost property area.

Tricks for encouraging kids to read
Is your child a reluctant reader? Why not try helping them find the book that goes with a movie or DVD they’ve enjoyed, or are about to see. Encouraging your child to read can help them to build their imagination as well as giving them a better vocabulary. Kids who read different types of books develop a wide range of language skills and are better placed to understand different types of texts as they progress into high school. School A to Z has lots of tips and ideas on encouraging your child to read, at http://bit.ly/HLPmB9

How much water does your child really need?
Staying hydrated is even more important during the warmer months. Every part of your body needs water to work properly and dehydration can lead to painful kidney stones. Many people don’t feel thirsty until they are already dehydrated, so packing a drink bottle with your child’s school lunch is a good reminder for them to drink during the day. Sports drinks and juices are popular with kids, but they often contain a lot of sugar. To find out the recommended daily intake of water for your child’s age at http://bit.ly/ZjwUjo

Private tutoring
Are you thinking about a private tutor to complement your child’s education? School A to Z explores questions about what to look for in a tutor, what you would want your child to achieve and tips on what to ask a potential tutor. http://bit.ly/K5aczo

Team sports – more than health benefits
As well as helping kids stay fit and healthy, team sports help them learn that things don’t go their way all the time and they need to respect their peers. Sports also help children and teens with resilience, how to respond to setbacks and loads more benefits discussed here: http://bit.ly/HlgxVO
We look forward to a busy term full of wonderful educational learning experiences that offer all the students at Ironbark Ridge the opportunity to achieve their very best.

Welcome back and we trust that all our Kindy families had a good holiday. It's been great to hear all the interesting things that students have been doing over the break. Well done Mums and Dads for making your children look great in their summer uniforms. This term Kindy will have sport on Friday. Chinese and library will continue to be on Tuesday. Homework will commence in week 3 and will be sent home each Friday to be returned on Thursdays.

At home it would be appreciated if families would keep up the good work and continue to reinforce the importance of healthy eating by sending along a nutritious lunch and a water bottle every day. Hats need to be worn when students are outdoors so please ensure all children bring one with their name clearly marked on it. During the term our very talented students from Kindy London and Kindy Toronto will host assemblies in Week 3 and Week 4 respectively.

If any parents have time in Term 4 to work with Kindergarten students on individual programs please see Mr Brent.

We hope you all have a great weekend!

The Early Stage 1 Team
Welcome back and we hope that all of our Stage 1 families have had a good holiday. It’s hard to believe that it’s Term 4 already!

It has been great to hear all about the interesting things that students have been doing over the break. This term in science students will be learning all about space and in HSIE we are exploring different celebrations from around the world. Students will also have the opportunity to participate in Swim Scheme towards the end of this term. A note was sent home this week outlining the details.

We wish our Stage 1 dancers all the best for their performance at the Ridges Festival on Friday night. Have a great weekend!

The Stage 1 Team
STAGE 3 SNIPPETS

We hope that everyone had a fun and safe holiday. This term shapes up to be the busiest term of the year. It is also the very last term of primary school for our Year 6 students. We are sure that the students will have an enjoyable term whilst continuing to respect the school expectations.

This term, students will be involved in many fun and exciting learning experiences. We will be investigating a number of different concepts and topics including ‘Point of View’, Gold, ‘Matter’ and child protection. Maths will revisit and further develop a cross-section of skills.

To tie in with various themes and activities, we have a few special events planned. The first is a visit from Constable Rob, our liaison officer, who will chat to Stage 3 students about personal and cyber safety. Another planned day is our ‘Gold Day’ on Mon 10 November. For this, students may come to school dressed in clothing from the days of the gold rush. They will be enthralled with tales from long ago and participate in related activities. More information and details about the cost involved will be sent home soon. Our ‘in-house’ expert, Mitch, has kindly agreed to take the Stage 3 students for HipHop again this term. As these classes are always fun, energetic and allow the students to learn something outside the norm, we encourage everyone to participate. Please ensure that your permission slip and payment reaches the office by Friday 17 October.

PSSA (summer sports) starts in Week 2 and is a continuation from Term 1; hence there will be no new trials for these sports. A number of Stage 3 students will be participating in a League Tag Competition next Thursday and we wish them well.

In Week 3, Year 6 students will hold a Spider Drinks day. For this, we ask each Year 6 student to please donate a bottle of soft drink, some cups and/or straws. This fundraising event is in aid of the Year 6 Farewell.

Year 5 students will soon be told about the upcoming Leadership nominations. We have always encouraged our students to ‘have a go’ at the many opportunities presented at Ironbark Ridge and taking on a leadership role is one well worth thinking about. We encourage you to speak to your child at home about the attributes and responsibilities of leaders, and encourage them to nominate for these positions. In Week 3, students will receive a detailed outline of what is expected and all the relevant dates.

As the weather warms up, please remind your child to make sun smart decisions such as wearing their school hat daily, applying sunscreen in the morning and having adequate supplies of water. The warmer weather also means students need to think about their personal hygiene. Should your child bring deodorant to apply at school, please ensure that it is only a roll-on/stick deodorant.

The start of this term also sees some changes to staffing on Stage 3. With Ms Forbes retiring, Mrs De Jager is relieving Deputy Principal and Ms Hoggan is relieving Assistant Principal for Stage 3. We welcome Mrs Wilson to this fantastic team.

Canteen Operations

OPENING DAYS - Mon, Wed & Fri for lunch and recess

The canteen will be open on Friday, week 1 of term 4.

In order to avoid closures this term parents, grandparents or carers need to spare just 2 hours to help one day of term. Everyone who volunteers enjoys themselves and the children love seeing you in the canteen … They feel important amongst their friends. It is very easy work and there is always someone there to show you what to do. Come along and lend a hand.

Can you make sandwiches and salads?
