**Principal’s Report**

My appointment as the new Principal of Ironbark Ridge PS is now public knowledge, so thank you to all of the supportive comments and best wishes I have received from you over the past few days.

Thank you to all of our community who attended our Celebration Day assembly on Thursday this week in the Rouse Hill High School hall. Farewells to our Year Six students are emotional for all of us as it’s a parting of ways between both students and families, and the school. The Ironbark Ridge community is a wonderful, supportive family so it makes it very hard to leave, and hard for us to let you go. Next Tuesday night’s official Year Six Graduation dinner will no doubt bring a few tears, as will the farewell tunnel at 2.45pm on Wednesday 17th December.

**Student Leaders 2015**

Congratulations to our new school leaders for 2015 – School Captains Curtis and Sapphire, Vice Captains Khemata and Vasu, and Prefects Jai-Leigh, Sami, Tye and Jayden. Our student leaders from 2014 have been a wonderful team and we have no doubt that next year’s leaders will form similarly close bonds and develop into impressive leaders in the same way.

**Ironbark Ridge PS Community Thank You Morning Tea**

At 10.30am on Thursday 11th December (next Thursday) we would like all parent volunteers, classroom helpers, P&C members and any other community members who have supported our school in 2014 to join us for a ‘Thank you!’ morning tea in our school hall. Teachers and support staff will be providing the food in a gesture of thanks – another opportunity to come and share food and friendship with us ‘amongst the tall trees’ at Ironbark Ridge. See you then.

**Party Days**

To celebrate another great year across stage of learning we are holding our usual party day activities over the next two weeks – please ensure you have returned all permission notes and payment ASAP. Contact the school office if you have any issues as we want to ensure that all students are able to participate and celebrate.
Strategic Planning
As you are aware we are currently planning the next three years at Ironbark Ridge as part of the school improvement and planning model. We have created a short vision statement for our school:

“Nuturing personal growth through inspired learning.”

As a community we are now beginning to work on three strategic directions to support our vision. It is an exciting time for us all so please watch this space early in the new year for opportunities to continue to contribute your own ideas, innovations and aspirations for our fantastic school.

New Teachers
A number of new teachers will be joining us on the staff at Ironbark Ridge in 2015. We are currently in the process of filling two positions through the advertisement and merit selection process, and the DEC has appointed a targeted graduate to begin at the start of next year as well. I know you will make all of our new staff feel welcome and a part of the Ironbark Ridge learning community very quickly. Our own school staff induction and support procedures will ensure they learn about us and fit in very quickly.

I will send out a very brief final newsletter in the final week of term wishing you all the best over the break, so please keep your eyes out on the website and through the app.

Yours in inspired learning,

Nick Thomson
Principal

RELIEVING DEPUTY PRINCIPAL’S REPORT

I can’t believe this is our last full newsletter for the year. What another fantastic year 2014 has been. As I reflect back and think of the milestones achieved, I am amazed by the talent and creativity of our students both within and outside the classroom. This has been clearly evident in the number of students who have been recognised for outstanding achievement throughout the year.

To the wonderful P&C and our many parent helpers, I thank you. Without your support we could not do the work we do. I have watched throughout the year as you tirelessly gave of yourself and your time. I look around the school and am witness to how your generosity has supported our teaching and school environment.

To the Year 6 students embarking on a new adventure to high school in 2015 I wish you the very best. It has been heart-warming to see the skills you have gained, how you have grown and matured and are now ready for what I hope will be your life long pursuit of education and learning. It indeed has been an honour and a privilege being part of your journey.

To everyone I wish you a happy holiday and a safe return in 2015. I look forward to another fantastic and exciting year.

Mrs De Jager

Additional Information
Choosing school shoes
Are expensive school shoes the best option for happy feet? Let's face it. School shoes have never been at the cutting edge of fashion. In fact if you look at what your parents were wearing, the humble school shoe really hasn’t evolved much at all.

Teach your kids to be waterproof
As temperatures rise, the risk of drowning increases too. Review these water-safety tips to help keep your family safe this summer.
Road safety reminder for parents and carers these holidays
Remember when walking near roads, on footpaths, near driveways and in car parks always: hold your child’s hand, talk to your child about road safety and point out road safety dangers and differences in new environments. The best way to keep your child safe on or near the road is to hold their hand. Talk with your child daily about road safety. For further information visit: http://roadsafety.transport.nsw.gov.au/stayingsafe/children/pedestriansafety.html

KINDY CAPERS

Can you believe the end of the year is almost here? Haven’t the months flown by.

Homework and home reading has now finished for the year. Can you please ensure that all home readers are returned to school ASAP so a stocktake of our resources can be conducted.

Our Kindergarten picnic and party day will be held at Ironbark Reserve on Friday 11th December. A note was sent home last week and we kindly ask that the permission slip is returned. A few reminders for the day:

* Wear appropriate sun safe casual clothes and a sun safe hat. No caps or open toed shoes.
* Bring morning tea and lunch.
* Bring a water bottle.
* Bring a folding camp chair to sit on while watching a movie in the hall in the afternoon.
* Send a packet of chips into school prior to picnic day for the children to share during the movie intermission.

As we approach Christmas, some children enjoy handing out cards and small gifts to their friends and classmates. Can we please ask that no food items (other than candy canes) be handed out due to allergies. Thank you for your cooperation.

The Kindergarten students looked so proud up on the stage with their “Kindy Graduation” certificates today at our Celebration Day assembly. Congratulations to all the students and our special award winners. We are so proud of all their hard work and achievements over the past 10 months and it has been a privilege to watch them grow and develop. In addition, thank you to all of the Kindergarten parents for your continued support over the past year.

The Kindergarten team

STAGE 3 SNIPPETS

As the term nears its end, Stage 3 has certainly not slowed down. As busy as ever, our students have continued to abide by our school expectations of being responsible, respectful and safe, whilst having fun and learning a thing or two along the way.

Shine Hills Schools Excellence Awards is an annual event hosted by Castle Hill RSL, recognising the exceptional achievements of students. Once again, our 3 nominees were accepted as finalists – Darcy and Shalini in the Leadership & Community Service category, and Mikey in the Sport category. We are very proud of Darcy and Mikey for receiving Commendations in their categories. Congratulations to Shalini on winning her category, being selected as the top Leadership & Community Service student in the Hills Area for 2014!

Club Kidpreneur is a social enterprise committed to encouraging and developing entrepreneurial thinking in primary school children. The program focuses on introducing basic business skills in a creative and authentic manner to enable students to start their own mini-enterprise, and develop their understanding of financial
literacy. 6H and 5D ran with the program, culminating in a very successful Market Day. Thank you for supporting these students in their venture.

This week, the new 2015 OC students and their parents were invited to attend an orientation afternoon. Our confident, articulate students proudly showed them around and chatted about some of the projects and ventures in which Stage 3 students get involved. The students and their parents left with a strong sense of community spirit, dedication to high standards, and commented on the lovely ‘feel’ of the school.

Celebration Day - what a wonderful way to celebrate all the outstanding efforts Stage 3 students have put in over the year. Hard work, citizenship, commitment and utilising 21st Century skills were just a few of the areas that were deservedly recognised. The Stage 3 teachers are so proud of each and every student in years 5 and 6. Highlight of the day was the opportunity to check out how cute our current Year 6 kids were and also how grown up and ready they are for their next chapter in high school. Thank you to all the parents, carers and grandparents who came to celebrate our Year 6 official graduation from primary school.

Congratulations to our 2015 leadership team. We know they will all do an amazing job, just as Darcy, Olivia, Deniel, Katrina, Jackson, Chloe, Jonathon and Ashley have done this year.

And last of all ….
To the Year 6 students of 2014: it is with mixed emotion that we write our final message to a wonderful group of inspirational students who have not only touched our hearts, but impressed us all beyond words with their thirst for learning and pursuit of excellence. As we reflect back on your final year of primary school, we are delighted to see the gains you have made and the skills you have acquired. You should all be so proud of your achievements and the way you have guided, lead and inspired the younger students of Ironbark Ridge. We are looking forward to celebrating with dancing, music and food on Tuesday night. Parents you are most welcome to come in at 8:30 to have the final dance with your child. It will be great to see everyone there so we can rock the dance floor!

To our wonderful P&C, parents and school community: thank you for your support. We were able to work towards a shared vision for our students and school. Together, we were able to create wonderful, successful teaching and learning experiences for our students.

The Stage 3 teachers at Ironbark Ridge would like to wish all our parents and students a safe and happy holiday.

LIBRARY

Please ensure that any library books and readers that your children have borrowed are returned to school as soon as possible? Thank you

Mrs Paton
Librarian

ADMINISTRATION NEWS:

Could you please advise the school office in writing as soon as possible if your family will not be returning to Ironbark Ridge in 2015. This helps us greatly with class organisation for next year.

The last day for banking at the school office is Monday 15 December. Please ensure all music fees and term invoices are paid by this date.

I would like to take this opportunity to thank the wonderful office administration staff - Mrs Belcher, Mrs Budzinski, Mrs Jones and Mrs McGill for their hard work in what has been an extremely exhausting year implementing the new finance and administration systems. We are all looking forward to the break.

Wishing everyone at Ironbark Ridge a safe and happy holiday - see you in 2015.

Open Letter From The Prez

Dear Mum’s and Dad’s,

You would be well aware the P&C have been working for a number of months to find the right solution for our school in relation to the future of the canteen operation.

Through discussions at our P&C meetings we have determined that everyone agrees a change is needed in order to deliver a reliable canteen service to our students and parents.

We have been looking at the following two models; Leased Operation and Paid Staff.

Sadly, I feel the P&C Executive has let you down on this issue, albeit unintentionally, by not having all the answers. We have participated in discussions with other school P&C Executives, and Ironbark Ridge School Executive, we also conducted the canteen parent survey. We then presented what ‘we’, the P&C Executive, thought was the right solution for our school based on the information available.

It is important to point out that we have put many, many hours into this already, and the only reason more hadn’t been done was simply because we are all volunteers also and have to fit our lives and work in as well. So we hope you can appreciate we are all doing our best.

The purpose for this letter is to let you know I set aside last weekend to solely work on this matter. I have prepared accurate figures to present on both models and am in the process of arranging guest speakers from schools in our region to speak about how their canteens work at our first meeting in Term 1 (4 Feb). There will be people representing both models so all our questions can be asked and actual hands on experienced people will answer them.

I would like you to know your P&C Executive truly want to find the right solution for our school and we will not rush into finding that solution, it is too important. Please feel free to contact me with any points of view or suggestions you may want us to consider.

The Prez :)

Canteen Roster Term 1 2015

While we are working on a long term solution we do need to operate the canteen with 100% volunteers throughout term 1.

Michelle Young (Vice President) and I, are working on a roster, with Lisa & Mel, for term 1. So far we are trying to speak to all current volunteers and secondly seeking new volunteers to fill the vacancies.

Each shift in the canteen will go back to the half day and full day slots, with half days being one hour longer than the current 2 hour shifts.

We are currently looking for parents and grandparents who can work in the canteen once per term or once per month.

A roster will be made publicly available once it is complete.

Please email president@irpspc.com or vp2@irpspc.com if you would like to add your name to the roster.

Helpers Thank You Morning Tea

Mrs Shorten is lovingly and gleefully preparing a heartfelt Thank You Morning Tea to show all the wonderful parents/grand parents/carer helpers who managed to lend a hand to help the school and P&C, how much their time was appreciated this year.

Thursday 11th December, 10.30am in the Ironbark School Hall.

PS: The teachers are doing all the cooking and preparation … woohoo a day off :)
