**PRINCIPAL’S REPORT**

Dear Parents and Friends,

**P&C AGM**

As you know it was the P&C AGM on Wednesday Night where our executive for 2014 was elected. I would like to thank our 2013 P&C executive and our sub-committees for their hard work over the last 12 months. I would particularly like to thank Deanne Baranoff for her hard work as the treasurer as well as her continued efforts throughout the years she has been associated with the school. I am very happy that she will continue her association with the P&C ensuring that our students are supplied with uniforms. Also a big thanks to Brad and Nicolle Greentree, who have left Ironbark Ridge, for all their efforts on behalf of the school. Congratulations to our new executive led by Leigh. I know you will do a fantastic job. I look forward to working with you in the future.

Congratulations also to Kaye Rowlinson who was presented with the P&C’s award for her outstanding contribution to the Ironbark Ridge community. Kaye has been involved with the school in many ways over the years and is a deserving recipient. Thank you Kaye for your outstanding support over the years.

**Website**

If you look at our calendar you can see just what a busy term it is with many events still to come. You will notice the new calendar on the school website. I hope this will make it easier for parents to check on dates. We will be updating photos and other sections of the website in the coming weeks.

**LMBR Update and School Invoices**

Unfortunately we cannot invoice school fees at the moment as there is another glitch in the new system. The DEC is working on it but it may take several weeks to fix. We hope to send home invoices shortly.

**Australian Curriculum**

As you are aware we are implementing the new NSW English syllabus. We will be running information sessions for parents whilst the disco is on next Wednesday night. The sessions will correspond with the disco times ie there will be an information session for K-2 commencing at 5:00pm and one for Yrs 3-6 commencing at 6:30pm. The sessions will have similar content and will explain the major changes to the syllabus. We hope you will be able to attend.
**School Mascot**

We will be formally introducing our new school mascot (green and red tree frog) to the children on 25th March. He/she will then be named as a result of discussions held through the SRC. He/she will be used around the school to promote our school rules and will be included in new signage around the school.

**New Gardens**

A team from Bunnings came to school on Wednesday with plants and manpower to plant gardens in front of four of our demountables. Our SRC representatives had a great time planting. I later saw them showing other students the plants they had planted. A big thanks to Bunnings for their help. This is a great example of a P&C/school initiative.

**World’s Greatest Shave**

Several of our senior students are supporting this initiative by either shaving off their hair or dyeing their hair an interesting colour. Although we are not formally supporting this charity this year as a school we are pleased that students have chosen to do something to help them. We congratulate them on their efforts and know that Stage 3 classes and teachers will be helping them out.

**Term 1 Interviews**

The interview schedule for the end of term will be available online shortly. This is a great opportunity to pop up and have a chat with your teacher about your child. Each interview will be ten minutes long. It is only a short timeslot but you are most welcome to make a further appointment with your teacher if necessary. We hope to see many parents take advantage of this opportunity. If you can attend interviews earlier in the afternoon we ask that you please choose times before 5pm and allow other parents with later work commitments to use the later evening timeslots.

Hope you have a wonderful fortnight,
Anne Forbes
Principal

**DEPUTY PRINCIPAL’S REPORT**

**Awards Assembly Term 1**

After much effort to squeeze in an opportunity to hand out ribbons and champions’ medallions from our school swimming carnival we have decided to hold a special whole-school assembly in the last week of term (Wednesday 9th April) to award achievement in sporting and other extra-curricular areas. This will become a regular special awards assembly at the end of each term. A special invitation will be sent home closer to the event.

**Learning Support**

As we have now fully settled into our routines for the year the school Learning & Support Team will be sending home information notes for parents outlining programs each student is involved in at present. We are proud to be offering a number of engaging, research-based, effective interventions to assist the specific learning needs of a huge number of students across the school.

**Scripture classes for 2014**

Last week we commenced scripture (Religious Education) classes for the year. These half-hour classes run from 11.30am on Wednesday mornings and are taught by community volunteers from various churches and other religious organisations. Thank you so much to these scripture teachers for their time and effort. A huge thank you also to Mrs Robson for the massive job of organising the whole school into effective class groups for Scripture.

**Chef Thomson’s recipe review**

My most recent foray into the Ironbark Ridge PS Cookbook involved preparing Gnocchi Bolognese Bake (see page 98 – Thanks to the Stewart Family). Depending on the particular tastes of your children this recipe offers a great chance to ‘hide’ a few healthy additional ingredients into the mix... as I did without being sprung 😊

*NB: The term ‘Chef’ is used very lightly in this column.*

Nick Thomson
Deputy Principal
Joshua is shaving ALL of his hair off this March for World's Greatest Shave!

It would be great if you would support his sacrifice by sponsoring him! For those of you that know Josh, you will know how much he loves his hair and what a big deal this is for him!

The money you give will help the Leukaemia Foundation fund its important work – providing practical and emotional support to people with blood cancer, as well as investing millions in research.

It's easy to sponsor Josh online. Click here to visit his personal fundraising page.

Please give generously and help him reach his goal of $500!

Thanks for your support! - Josh

Philippa is colouring her hair this March for the World's Greatest Shave!

It would be great if you would support by sponsoring her!

Philippa says she is not brave enough to shave her head like her Dad did last year, but she will dye her hair.

Philippa is colouring her hair because she knows a lot of people who have suffered from cancer. She is sick of doing nothing about it and letting it all go over her head. Now that she is older and understands it better, Philippa wants to use her head of hair to help raise money.

It's easy to sponsor Philippa online. Click here to visit Philippa’s personal fundraising page.

Any donation big or small will make a difference.

Thanks for your support! – Philippa
Did you know that this Friday, 14th March is World Sleep Day?

It’s an initiative by the World Association of Sleep Medicine to promote sleep health within the community.

The theme is better sleep, better health, better learning.

For too long we’ve under-estimated the impact that a good night’s sleep has on children’s well-being, behaviour and their learning.

The keys to better sleep for kids

According to a recent British study into sleep habits, regularity of sleeping habits and routine are the keys to kids’ well-being and better cognitive functioning when it come to sleep.

The sleep clock loves routine & regularity.

So do kids – they’re routine junkies.

Regularity & routines are the two keys to a good night's sleep for most kids.

Here are 3 tips for a better night’s sleep for kids:

1. Stick to the one hour variation rule: Alter bedtimes by no more than one hour on weekends and other nights.
2. Make the time before bed CEFB-free: That is, no caffeine, no vigorous exercise, no heavy food, no hot baths before bed-time.
3. Establish sleep-trigger rituals to trick the brain into sleeping: Stick to tried and true sleep rituals such as reading, or teeth, toilet & story.

To recognize World Sleep Day I’ve written an informative and attractive Sleep eguide to help parents learn the basics of good sleep hygiene and develop a range of behavioural strategies to make sure your kids regularly get a good night’s sleep. It’s on the Parentingideas Club website right now.
**WEEK 6**

**PRINCIPAL**  
Kindy Dublin and Kindy Toronto for their interesting talks in class

**CHINESE**  
5/6 Prague
KINDY CAPERS:

We have just passed the halfway mark for the first term of Kindy! What a busy few weeks it has been. Students have begun working hard to learn their sight words each week. The teachers are excited to see their students using the sight words in their reading and writing. It is important that the focus words are read and written each night to assist them with learning them. If students write all of the words for the week in one night they only get a chance to learn them during that one night. If they are able to write them out each day it allows them to revisit them and become familiar with the words and how they look. A little bit each day will make the sight words much easier to learn.

Students have also been very busy reading books in their Bug Club account. It is important to continue to re-read the books several times so students can gain familiarity and increase their fluency and accuracy. It is also important for students to attempt the comprehension activities that go with each story. It is wonderful if your child can read the words in the book however it is immensely important they understand what they have read.

On Friday teachers will hand out each child’s Best Start report. This includes the results of your child’s Best Start assessment which was conducted in the week prior to beginning school. It will show you what your child was able to answer during the interview as well as several ideas for you to assist them at home. Please remember that this report is an indication of what your child could do prior to attending school and in many cases may not represent what they can do now. Students can learn so fast in Kindy. Their brains absorb new information and experiences so quickly. Parent-Teacher interviews will be coming up closer to the end of this term where you can discuss your child’s current progress both socially and academically in more detail.

Scripture lessons have begun. All families received a note indicating the scripture class their child will attend based on enrolment information. If you wish for your child to change to a different scripture you will need to put it in writing and hand it in to the office.

Kindy students LOVE shopping at the canteen! The independence of having some money of their own to buy anything they choose is a great experience. It is important to remember that if you would like to give your child money to spend at the canteen it really only needs to be one or two dollars. Large amounts of money are not necessary and are not safe. Money is something that can go missing quite easily and it is difficult to prove who it belongs to. On the same note, it is important to remind your child that the money is only to be used to buy themselves something. Sharing is a wonderful and important act however sharing food is dangerous as many students have a variety of mild to severe allergies to particular foods.

Let’s get ready to party!!! The SRC disco is coming up. It is a great night filled with fun dancing and games. We hope to see lots of students there getting their groove on!

The ES1 Team.

STAGE 1 SNIPPETS

Stage one have been busy, busy bees investigating a range of minibeasts. By now you would have heard about the types of minibeasts and some strange and wonderful facts that the children are learning. We have had some ‘visitors’ in the classrooms, such as cicadas, spiders and ants. As long as these ‘visitors’ are expected we are happy to see them. It’s the unexpected that are not welcome 😊 The students are thoroughly enjoying this topic which is wonderful to see.

We have been delving into a range of wet and dry environments. The students have been taken on virtual trips around Australia to explore Ayres Rock, the Great Barrier Reef and many other amazing environments. This term Stage One students will be completing a Design and Make task associated with this topic. You will receive a note regarding the items (all recycled) that will need to be brought in on a specified date. Please make sure they come in on this date and no earlier as we do not have the room to store these materials.
By now your child would have received their first week of homework. Please remember that homework is due to the classroom teacher each Tuesday. It will then be handed out on the Thursday. Home readers can be changed at any time as long as your child has returned their home reading note.

It is wonderful to see the number of children accessing Bug Club and Studyladder. Please keep accessing these at home as they help to reinforce concepts taught in the classroom.

Year One need to remember to sign up for Frog Club at the Rouse Hill Library.

Harmony Day
On Thursday 20th March, 2014 we will be celebrating Harmony Day.
Harmony day is a day of cultural respect for everyone that call Australia home- from the traditional owners of this land to those who have come from many countries around the world.
Students will be participating in classroom activities to learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.
We ask that all students wear orange to promote this important day.

Till next time!
Stage 1 Teachers.

STAGE 2 SNIPPETS
We are powering through this term at rocket speed and stage 2 is showering us with their amazing talent!

We have seen some incredible ‘China Down Under’ cooking videos from the week 5 and 6 homework task. It was wonderful to see the effort that went into preparing food and equipment as well as the incredible editing and production skills of our students. There were lots of hungry children and teachers as a result of watching these tasty delights.
We look forward to seeing what stage 2 students produce for this fortnights ‘Road Safety’ homework task.

The excitement is building for next Thursday’s excursion to Taronga Zoo. Please remember that it is an early start and every student must be at school by 8:00am. Students will need to wear their sports uniform and school hat. Their recess, lunch and drink will need to be in a plastic bag clearly labelled with their name. Payments for the excursion must be handed to the office by Monday please.

This week you would have received the note regarding the Stage 2 Aussie Bush Camp. A reminder that the $50.00 deposit needs to be paid to the office by Friday 28th March to secure a place for your child. This money must be put into the green box inside the office or handed to the office staff. If you have any questions regarding the camp please speak with Mrs Johnson.

Kind regards
Stage 2 Teachers

STAGE 3 SNIPPETS:
And so the work continues …..

Stage 3 had the pleasure of viewing Rouse Hill High School’s Expo last week. This was a great opportunity for our students to see how high school classes are tackling 21st Century Learning tasks. The students came away having learnt a little more about the human body but also confident that we can discover, dream, design and deliver an awesome Expo ourselves. We were very proud of their consistent display of behaviours conducive to being safe, respectful and responsible.

Several of our students are taking time outside of school to try out for Ridges Sporting Teams. Not all students get the opportunity to try out for these teams and the standard of sporting ability is outstanding in these trials. It is great to see Ironbark Ridge represented and we know that our students are making our school proud.

Year 6 have formed a fund raising committee to start thinking about activities they would like to do throughout the year. This committee includes representatives from each Stage 3 class.
Best of luck to the Year 6 students who are sitting for the High School Selective test on Thursday. You have worked so hard, we are proud of you and we hope you do as well as you possibly can.

Stage 3 Teachers
Mrs DeJager, Miss Dalli, Ms Hoggan, Miss McGill, Mr Pengelly and Mrs Sayer

CHINESE NEWS

Nǐmen hǎo! 你们好
This term we have been learning to greet different people and introduce ourselves. The children have been very enthusiastic, especially Kindergarten who have been using their new language skills in the playground as well as in the classroom. The younger students can say hello nǐ hǎo 你好 – (sounds like nee how), goodbye zài jiàn 再见 – (sounds like zigh jan), and thank you xiè xie 谢谢 – (she with the ‘e’ sound as in egg). They can also ask someone they have just met what their name is - nǐ jiào shénme míngzi ? 你叫什么名字 and introduce themselves by saying ‘My name is’ Wǒ jiào - (sounds like war jow). Stage 2 students are learning how to write the Chinese characters for these phrases and Stage 3 are studying the different parts of a character and how to look up new words in a Chinese language Dictionary.

Please encourage your children to tell you what they have been learning and to practice with you. Learning a language builds self-esteem, tolerance and a greater understanding of the world around us. And as with any new learning ‘practice makes perfect.’

Mrs Przyrembel – Chinese Teacher K-6

SRC

2014 SRC Committee
Each class from Year 1-6 have selected representatives and together the 2014 SRC Committee has been formed!

The students who have been voted in positions within the Committee are:
President – Dylan Gray  Vice President – Conrad DuPlooy
Secretary – Sami Dinnerville  Treasurer – Shalini Seshan

Congratulations to those students. All members of the SRC Committee are looking forward to representing and focusing on continuing to make Ironbark Ridge the great school that it is.
PSSA SPORT: TERM 1

WEEK 7 – 14th MARCH 2014
CRICKET: Hills Centenary Park, Withers Road, Rouse Hill
OZ TAG: Russell Reserve (renamed from Second Ponds Oval) Wither Rad, Rouse Hill
SOFTBALL/T-BALL: Hills Centenary Park, Withers Road, Rouse Hill
AFL: Wrights Reserve, Quakers Hill

WEEK 8 – 21st MARCH 2014
CRICKET: BYE
OZ TAG: Russell Reserve (renamed from Second Ponds Oval) Withers Road, Rouse Hill
SOFTBALL/T-BALL: Newbury Oval (ex Newbury Oval) Perfection Drive, Kellyville Ridge
AFL: Wrights Reserve, Quakers Hill
ADMINISTRATION NEWS:
Just a reminder to all parents that we are now processing EFTPOS payments. We cannot process EFTPOS payments after 1.00pm. All monies should be put in an envelope in the green box at the office each morning on arrival at school. No monies are to go to the classroom teacher.

SCHOOL BANKING DAY REMINDER:
Don’t forget that Friday is School Banking day and students should bring in their weekly deposit. For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. The first token will be received upon the first deposit at school. Once students have individually collected 10 tokens they can then be redeemed for a range of great, exclusive reward items in recognition of their continued savings behaviour. Thank you for supporting the School Banking program.

HEAD LICE
A case of pediculosis (head lice) as been detected at school. You should check your child’s hair to ensure they are free of lice. Should you find any evidence you will need to treat your child’s hair with products that are available from pharmacies.
From The Desk Of The Prez

Congratulations to our 2014 P&C Executive who were all voted in unanimously and unopposed last night.

VP1-Sarah McB, Sec - Karen L, Prez - Leigh K, Tres - Audrey C, VP2 - Mishelle Y

1. The Uniform Shop Coordinator is Deane Baronoff
2. Canteen Coordinator is Mel Posner
3. Student Banking Coordinators are Mishelle Young and Trisha Aldred
4. Fundraising Coordinator TBA - there is a huge group this year and more will always be welcome.

Thank you to the outgoing executive and committees.

Leigh :)

PAVERS PAVERS PAVERS PAVERS PAVERS!!

Last Week to order!

This is your LAST week to order one of our very special “Walk of Fame” Pavers!

Cement your child’s time at Ironbark with a special paver, whether commemorating a start in Kindy, Finishing Year 6, an SRC rep or a School Leader – whatever the reason, this is a great way to “set it in stone”.

Purchase a single paver, or perhaps a Family paver! You can even “backdate” a Paver to previous years if you missed out before.

(eg: Michelle Smith Kindy 2011)

A few quick reminders: Pavers are usually installed in school grounds late Term 3 (due to the length of time taken by the supplier to produce our Pavers) The School office cannot supply a receipt, as this is a P&C Fundraiser, so if you wish conformation, it is best that you pay via Flexischools. Lastly, unfortunately, we are unable to place new pavers with existing ones, as this year’s pavers will be laid in a different section. Thank you for supporting our wonderful school and this Fundraiser!

Double Family Paver $60.00
Single Paver $30.00

Please return your order slip and payment in an envelope marked “Walk of Fame Paver” to the office by: **Friday March 21st**

Payments can be made by Flexischools, Cash or Cheque. If paying by Flexischools, please still return order slip to office. Any questions, please email Monica on: calderwood3@bigpond.com
Ironbark Ridge Public School

You are invited to be part of our 2014 “Ironbark Ridge Walk of Fame”

You are invited to participate in this unique opportunity to have your name set in stone - as a permanent part of our school.

**OPTION 1**
Single name paver

COST: $30 –

*For additional single pavers: $25*  
(Note: Must be ordered on same order form)

**OPTION 2**
Family double paver set

COST: $60 -

Ironbark Ridge Public School invites your child and your family to become a permanent part of our school's history. If you decide to take advantage of our offer, your paver will become a part of the “Ironbark Ridge Walk of Fame”, which will provide an enduring link between the past, present and future that includes the essential partnerships that make our school what it is - students, family and staff. **A GREAT idea to commemorate Kindy’s, Year 6’s, SRC and School Leaders too!**

**Thank you for your support**

Note: If paying via Flexischools – please ensure that you still return above form to office.
STUDENT BANKING IS FRIDAY AT IRPS

For those that have accounts please remember to drop off your bank wallets to the office every Friday morning. To ensure that your child’s money doesn’t fall out I suggest putting their coins in a small ziplock bag with their name and class and then putting it into their banking wallet. Please email the ‘Dynamic Duo’ at StudentBanking@irpspc.com if you are still waiting for your book to arrive.

**Sanctuary Kids (Kids Club)**

Sanctuary Kids is a new kids club catering for children from Kindergarten to Year 6. Children with special needs are most welcome. It is a quiet group with firm boundaries, teaching relationship skills through Bible stories. Each week there are games, craft, stories and songs. This term the children will be learning about the skills of kindness and sharing.

Sanctuary Kids runs weekly during the school term on Sunday afternoons. Sanctuary Kids is run by Sanctuary Christian Church. Places are limited, so please call for more details or to secure your child’s place.
