PRINCIPAL’S REPORT

Dear Parents and Friends,

“Ridgy” the frog launch
A fun day was had on Tuesday with our official launch of our school mascot “Ridgy” the frog. The day was filled with frogs both in activities and food as well as bracelets and stamps. Ridgy has taken a while to develop but I think it has been worthwhile. Both students and teachers have been involved in this development and Ridgy seems to be very popular. Our SRC members ensured all students had a say in Ridgy’s naming. As a mascot, he/she will be used to promote our Positive Behaviour for Learning Strategies and will pop up in many places. We have a few versions of Ridgy to use in different places and for different reasons around the school so look out for him/her. Thank you to our Student Wellbeing team for their hard work in making the launch such a success. Look out for the next developments. And yes we do have frogs at Ironbark Ridge but not quite as attractive as Ridgy.
Stage 3 - 21st Century Learning
I have had a very interesting fortnight. Stage 3 have been showing the fruits of their labours with displays both in the classrooms and in the hall. I hope parents have had the opportunity to see the booths about China and Vietnam in the hall this week. Many of us have also been treated to different foods as restaurants have been set up in the classrooms complete with table décor, menus and music. It has been wonderful to see the students take such pride in their work and be so engaged in their learning. They assure me they have learnt a lot and their explanations of Lee Crockett’s Learning Fluencies has been wonderful especially since they have only been working on these projects for a short time. Congratulations Stage 3 - an amazing job.

Swim Team
Congratulations to our “fish” who did amazingly well at the Sydney West Area Swimming Carnival. Our Senior relay team broke the record I believe and there were several personal successes. What I am most proud of is their team spirit and their support of each other in both success and disappointment. Well done all of you.

LMBR Update and School Invoices
Unfortunately we still cannot invoice school fees as the glitch in the new system has not been fixed. The DEC is still working on it but it may take several weeks to fix. We hope to send home invoices shortly.

Office News
Therese Fox will be continuing her work with LMBR in town for another term. We continue to miss her but the work she is doing is helping all schools. Unfortunately her replacement, Di, has to return to her own school next week. We thank her for her hard work and smiles in doing what is a difficult job in our school at the moment. We wish you all the best in the future Di. Allison Batten will relieve for Therese in the coming weeks. We know Allison will do an amazing job. Next term we hope to have a new face in the office to take over Allison’s role for the rest of Therese’s secondment. So I ask again to please continue to support our office staff in this time of change.

Disco Night
We had a wonderful disco night although it was a little steamy. The children looked amazing in their disco gear and had lots of fun dancing the night away. Thank you to the team who put this together but especially to Tracey Sayer, Michelle Cauchi and Jenni McCarthy for their work on the night.

Parent Information Meeting - English
Thank you to all those parents who attended this meeting. I know it is a lot to take in and as you can see the teachers have worked hard to understand the new curriculum. Thank you to the team who presented so well. I hope everyone has a better understanding of what we are teaching this year.

Leadership Conference
On Monday I will be taking our Captains and Vice-captains to a leadership conference held yearly for primary school leaders across the State. It is held at the Entertainment Centre and has an amazing line-up of speaker such as Bob Carr and Ita Buttrose. It’s always a great experience and I know our leaders will have a great day.

Term 1 Interviews
The interview schedule and bookings for the end of term has been open all week online. This is a great opportunity to pop up and have a chat with your teacher about your child. It is only a short timeslot but you are most welcome to make a further appointment with your teacher if necessary. We hope to see many parents take advantage of this opportunity. Bookings will close on Friday this week.

I am currently at Wiseman’s Ferry at a Principal’s Conference. I’m keeping my fingers crossed for better weather for our movie night but the forecast isn’t good. I hope to see many of you on Saturday night if the sun comes out anytime soon.

Hope you have a wonderful fortnight,
Anne Forbes
Principal
DEPUTY PRINCIPAL’S REPORT

I’d like to introduce you all to our little friend ‘Ridgy’ – our Safe, Responsible, Respectful learner frog who demonstrates the behaviours that make our school outstanding! Ridgy lives in and around Ironbark Ridge Public School, most often to be found in the school’s amazing pond at the end of the Office/Admin building. We all had a great day meeting Ridgy on Tuesday and I look forward to hearing more stories from you about how you use Ridgy as an example to help your family and household operate. I know Ridgy will be in all of our classrooms showing the way and helping teachers to describe their expectations about learning behaviours.

Special Awards Assembly
After an outstanding performance from our team at the recent Sydney West Area Swimming Carnival a number of our students will be progressing to the NSW State Swimming Championships. This causes a change to our planned whole-school awards assembly scheduled for the last week of term. The Term 1 Awards Assembly will now be held next week, on Wednesday 2nd April, from 2-3pm in the school hall. Swimming ribbons and Age Champions’ medallions will be presented. Please join us! 4W will now hold their assembly in Week 11, Wednesday 9th April – Thanks Ms Walker for your flexibility 😊

ICAS Tests
A reminder that next Friday 4th April is the last day for entries into the annual ICAS tests to be sent to the school office. The note can be found on the school website under ‘Whole School notes’. No late entries will be accepted.

ANZAC Day Education Launch – Castle Hill RSL
Ms Forbes and myself will be accompanying our eight school leaders to attend the Castle Hill RSL launch of their 2014 education kit next Wednesday 2nd April. It is a great opportunity to represent our fantastic school and to learn about ANZAC Day and the place it holds in our nation’s proud history. Our school assembly to commemorate ANZAC Day will then be held at 9.15am on Tuesday 8th April in front of our school flagpoles and special ANZAC garden with ‘Lone Pine’. Use this as an opportunity to discuss the event with your children, especially with next year being the 100 year anniversary.

After school pickup
This lovely rain we are having has highlighted to me an issue the entrance to our great school is creating. A number of students walk outside the school and wait along the frontage for parents to arrive. When it is wet, these students naturally want to wait under the cover of our walkway. Unfortunately this causes a huge ‘bottle-neck’, making it hard for students and parents/siblings walking in and out of the school, and also making it hard for our students who wait for the bus to line up responsibly and get safely onto the bus. If your child waits for you to arrive, they will need to do this back near the Canteen windows, under the COLA inside the school grounds. There is a teacher supervising this group of students. At about 3.05 this group will then move to beside the bike stands and can see the front street from there. It may mean you need to get out of the car and walk in to get them but in the interests of safety I think it is a small inconvenience. Thanks for your assistance with this matter.

Parenting Ideas
Michael Grose is the source of much wisdom and information on the subject of parenting. Each fortnight I include some of his words of wisdom on a topical issue. As a school we subscribe to his website and other resources, one of which is his magazine – and it’s available to you all now too! I’ve included a link later in this newsletter to allow you all to download the latest ‘Parenting Ideas’ magazine for free. You can subscribe for $2.99 per month through the iTunes store but if you can wait I’ll include a link each month that gets the free pdf version for you to ‘flick’ through. It’s well worth a read for all of us ‘lifelong learners’ who are looking for ways to improve our parenting.

Go Ridgy!

Nick Thomson
Deputy Principal
Get Michael Grose’s ‘Parenting Ideas’ magazine for free…

What’s Parentingideas Magazine about?

A truly inspiring read, each issue is designed to give parents the skills and know-how to equip their kids to be happy and successful in a constantly changing world.

Parentingideas Magazine covers topics from social and emotional intelligence, resilience and better behaviour through to social media safety, talking with teens and being a great dad.

The magazine aims at primary-school and secondary school parents.

Click the magazine below to download a copy of this month’s edition as a pdf straight into your tablet or phone or onto your computer!
Set great consequences for your kids with 4 great ideas!

Consequential learning is the best way I know to help children to regulate their own behaviour. *And I highly recommend that be your aim as a parent.*

The use of consequences shouldn’t be your only strategy (others include giving visual and verbal reminders, using time-in, and prompting kids to stop & think, before doing) however it should be the mainstay of any modern parent’s behaviour management toolkit.

Some parents tell me they struggle setting consequences for their kids. Let’s see if I can help. Effective consequences are........

1. **Doable**
2. **Related (to what kids do)**
3. **Reasonable**
4. **Respectful**

Let’s go look a little further:

1. **Doable consequences:** Ever threatened your kids, knowing that deep down you can’t follow through? Canceling Christmas fits that category. Whatever you say to kids must be doable. Even very, very young children can see through a veiled threat at a 1,000 paces. So think before saying something you can’t follow through on. If you do blab something outlandish, don’t back yourself into a corner by stubbornly standing your ground. Be smart and modify the consequence accordingly.

2. **Related (to what kids do):** Avoid a ‘one consequence covers all’ strategy that our parents may have used. (WRITER' NOTE: When I was young "Go to your room and don’t come out until I say!” covered everything from fighting with my brother through to coming home late from school!) ‘One consequence covers all’ ensures that your consequence is met with resistance. As much as humanly possible, logically relate the consequence you impose with the right they have infringed upon. Eg. They lose the right to watch TV because they didn’t stick to the agreed finish time.

3. **Reasonable:** Make sure your consequence is suitable for your child’s age and stage of development and that you don’t go overboard. “You’re grounded for a year!” may be what we feel like saying but a grounding for a day is easier to cop, as long as it’s related to going out, not being home on time, etc.

4. **Respectful:** Your consequence needs to pass the dignity test. That is, your child maintains theirs (so *don’t tell them off in front of their friends*) and you maintain yours (so yelling is out). *Most days you can sell anything to any child, it just depends on your delivery.* So, if possible, choose a time when you’re calm when you deliver a consequence, which may mean you have to control your impulse to.........well you fill in the gaps. *Parent self-regulation comes before children’s self-regulation, but that’s a topic for another article.*

I know consequences aren’t always easy but stick to these four consequence guidelines and you’ll take your parenting to a new level.

KINDY CAPERS:

This term has flown by and the next couple of weeks will be even busier. It’s been great to see the progress that the students have made in their first term of kindergarten and how well they have settled in. The students have been working hard to complete their homework and it’s been great to see them using their sight words in their reading and writing.

It was great to see so many of the kindergarten students attend their first SRC school disco in 80s gear. They had a great time dancing and participating in a range of games on the night. How scary is it to consider that the 80’s were nearly twenty years before the kindergarten students were born!

Last Thursday students participated in a range of Harmony Day activities. They were able to participate in a range of activities that taught them about how all Australians from diverse backgrounds equally belong to this nation and enrich it.

On Tuesday the students were able to be a part of the frog launch day activities. The students participated in a range of activities promoting the schools expectations ‘Be Safe, Be Responsible and Be Respectful’. They were able to see how the Ironbark frog promotes positive behaviours within the school. It was great to see the students immerse themselves in the day’s festivities and they really enjoyed themselves.

The parent teacher interview nights are being held next week. Please make sure you have booked a time with your child’s classroom teacher. The interview times are for 10 minutes and your assistance is required to ensure that you are at the appropriate location for your child’s interview on time.

We kindly ask parents to ensure that all of their child’s belongings are clearly labelled with their name and to occasionally check to see if the labelling has worn off.

Over the next couple of weeks the kindergarten teachers and students will be busy working on their hats for the hat parade on the last day of term. This is a wonderful opportunity for the kindergarten students to display their creative side.

We hope you all have a wonderful end of term!

The Early Stage One Team.

STAGE 1 SNIPPETS

The term is flying and Stage 1 have been incredibly busy, with more exciting activities on the way!

Harmony Day took place last week, and it was wonderful to see the interest, understanding and empathy our students have for other cultures and people from the many corners of the globe, some of whom have faced adversity.

As you are aware, Minibeasts and Wet and Dry Environments have been our main focus for the term, with much of our work in the classroom being focussed on these topics. As well as the Science and HSIE side of things, writing of descriptions and in some cases information reports, have been linked to these topics.

Our Design and Make task took place this week, with children producing some amazingly creative minibeast replicas, made from recyclable and craft materials. As well as being lots of fun, the task demonstrates the knowledge gained this term on the many interesting little creatures in our world. Thank you for your co-operation.

Tuesday was our school mascot “Frog Launch”, with activities planned across the school, and the next two Fridays are our upcoming CSIRO Minibeast Expos, which we are looking forward to with great excitement!! Dance group and auditions are well underway, and it is anticipated we may enter the Hawkesbury Eisteddfod this year. Due to Wakakirri commitments, it is unlikely that we will be participating in any other festivals at this stage, but there will still be plenty of opportunities for performance. With over 90 children auditioning for Dance Group, please understand that we can only select 30, and your support in this matter is greatly appreciated. Stage 1 Choir is up and running and they are sounding fabulous.
A few housekeeping notes… If your children are sick, it is best to keep them at home to prevent the further spread of illness, as well as encouraging good habits of hand washing, nose blowing, etc. Please also be advised that there have been a few cases of head lice in classes, so if you could please check your children’s hair.

Looking forward to meeting and seeing many of you at interviews next week.

Kind Regards,
Stage 1 Teachers

STAGE 2 SNIPPETS
What a busy two weeks we have had!

The stage 2 excursion to Taronga Zoo was a fabulous experience for all students, parent helpers and teachers. The children loved to see the variety of animals on offer at the zoo, with many amazed by the size (and smells) of the giraffes, the football skills of the male elephant and the relaxed state (and very long tails) of the lemurs. The seals showed us their incredible talents during a fantastic show and the students were thoroughly enthralled while learning about (and getting to touch) some of our native animals in the education centre. It was a wonderful day, with the students engaging in some fantastic learning experiences while creating many happy memories. Many thanks to our wonderful parent helpers. Without your assistance we wouldn’t be able to provide such amazing opportunities for the children, so it is greatly appreciated.

Stage 2 students have recently completed some great road safety posters for their week 7 and 8 homework task. It was fantastic to see students using their creativity and imagination to reinforce some very important road safety messages. We look forward to seeing some fabulous dioramas depicting a biome of choice for the next homework task.

Kind regards
Stage 2 Teachers

STAGE 3 SNIPPETS
The last couple of weeks have been so exciting and busy in Stage 3. We can’t believe it is already week 9! Harmony Day last Thursday was a great day for Stage 3 as we were able to appreciate the cultural diversity in our classes. We thought about how we could show our understanding and decided to trace our hands and decorate them. Our ‘hands’ are hanging along the Stage 3 block pathway if you would like to see them. The ‘Frog Launch’ and spider drinks day on Tuesday was a great success. The Year 5 and 6 students had a lot of fun and demonstrated their wonderful leadership skills.

On Monday, the amazing Asian expos started with Ms Hogan and Mrs De Jager students exploring China.

On Thursday, we visited Vietnam. Both groups worked really hard and truly became ‘experts’ in their fields.

A quick reminder of the other expo days:
5/6P (Indonesia) – Monday 31st March
5/6M (Japan) – Thursday 3rd April
5/6D (Thailand) – Monday 7th April
5/6S (India) – Tuesday 8th April
We hope to see you at the other expos in the hall from 12-1pm.

Stage 3 Teachers
Why learn a language?
“A different language is a different vision of life” Federico Fellini.
Learning a language is an important part of a child’s education. It helps enhance their cognitive development building high-level thinking skills which lead to better grades and a greater understanding of their first language. It increases their cultural awareness in our increasingly multicultural society and gives them a wider understanding of the world around them.
Whether they are learning a language to communicate with family, to get a job or just to travel, our children will grow into adults who can communicate successfully with the people around them and interact in a way that is more tolerant of others.

Mrs Przyrembel – Chinese Teacher K-6

Hat Parade

The school Hat Parade will be held on Friday the 11th April, 2013. It will commence at 12:00pm in the COLA area near the canteen. Parents and visitors are welcome to attend the parade and join their child for a picnic lunch at the conclusion of the parade.
Children in K-2 are encouraged to make a hat, whilst 3-6 is able to make masks. Teachers will advise their individual classes regarding expectations.

We look forward to seeing the students’ creations and hope to see you on the day!

CAPA committee.

SYDNEY WEST SWIMMING CARNIVAL

On Thursday, 20th March, 14 students represented Ironbark Ridge Public School and the Ridges Zone at the Sydney West Swimming Carnival, held at Sydney Olympic Park Aquatic Centre, Homebush. All students swam extremely well with our individual swimmers reaching the finals of their events and finishing in the top five placegetters. We are very proud of our swimmers achievements.
(Mikey, Josh, Deniel, Dylan, Ashley, Lucy, Preston, Cameron, Daniel, Liam, Veronica, Tori, Ezelle and Kristiana)
Outstanding results included:
11 Years Boys 50m Freestyle - Mikey - 1st (New Record 29.52)

12 Years Boys Backstroke - Josh - 2nd

Senior Boys 4 x 50m Freestyle Relay -1st (New Record)
   Dylan, Deniel, Josh, Mikey

Mikey - 11 Years Boys Sydney West Area Champion

Mikey has also been selected to swim in the All Age Relay representing the Sydney West Region.

Four swimmers from Ironbark Ridge PS will represent Sydney West at the NSW State Swimming Carnival on Wednesday 9th April and Thursday 10th April.
Congratulations to Mikey, Josh, Deniel and Dylan. We wish them all the best!

Thanks
Judy Paton and Tracy Sayer

PSSA SPORT: TERM 1
WEEK 9 – CANCELLED DUE TO WET WEATHER
WEEK 10 – 4th APRIL 2014

CRICKET: Hills Centenary

OZ TAG: Russell Reserve (renamed from Second Ponds Oval) Withers Road, Rouse Hill

SOFTBALL/T-BALL: Connor Greasby Park (ex Newbury Oval) Perfection Drive, Kellyville Ridge

AFL: Wrights Reserve, Quakers Hill

ADMINISTRATION NEWS:
Just a reminder to all parents that we are now processing EFTPOS payments. We cannot process EFTPOS payments after 1.00pm. All monies should be put in an envelope in the green box at the office each morning on arrival at school. No monies are to go to the classroom teacher.

SCHOOL BANKING DAY REMINDER:
Don’t forget that Friday is School Banking day and students should bring in their weekly deposit. For every deposit made at school, no matter how big or small, students will receive a cool Dullarmites token. The first token will be received upon the first deposit at school. Once students have individually collected 10 tokens they can then be redeemed for a range of great, exclusive reward items in recognition of their continued savings behaviour.
Thank you for supporting the School Banking program.

HEAD LICE
A case of pediculosis (head lice) as been detected at school. You should check your child’s hair to ensure they are free of lice. Should you find any evidence you will need to treat your child’s hair with products that are available from pharmacies.
Enrol now for our
April Holiday Programs!

The MultiLit Literacy Centre will be running intensive 7 lesson programs over two weeks during the April 2014 school holidays.

Programs run on:

Monday 14th April to Thursday 17th April

NEWSFLASH : OUTDOOR FAMILY MOVIE NIGHT

Unfortunately due to the continuing rain forecasted, we have decided to postpone the Outdoor Family Movie Night until next weekend (Sat 5th April).
If you have purchased tickets & are unable to make it on 5/4 please email Deanne on uniforms@irpasp.com to arrange a refund, if you can now make it please purchase a ticket.
All details remain the same just a change of date. If the 5/4 gets rained out too it will be held over until late sept/oct this year.
Sorry for any inconvenience.
