PRINCIPAL’S REPORT

It was such a pleasure to enjoy breakfast this morning with our new Kindy families. Mr Eddie has our grounds looking fantastic and the scene on our school oval and handball court of families sharing a meal, chatting and students playing happily together reminded me what a welcoming community our school is. Thank you to the Kindy teaching team for all of the organisation and planning!

Meet-the-Teacher afternoon teas
Come and join your child’s class teacher and other class parents for afternoon tea next week at the classroom.

- Stage 1 (Year 1 and Year 2) – Tuesday 3.30pm in the classroom
- Stage 2 – Wednesday 3.30pm
- Stage 3 – Thursday 3.30pm
  (Kindy – this morning’s BBQ breakfast was the gathering instead of afternoon tea next week.)

Please note that these are social occasions. Teachers are always willing to arrange individual meetings to discuss your child’s specific learning needs and any concerns so please arrange these interviews at a separate time.

Class Contact system
Teachers have begun approaching and inviting parents from their classes to take on the important role of Class Contact for the year. Meet-the-Teacher afternoon teas are a great opportunity to meet your class Contact in person and to provide them with your email address and mobile phone number for this year’s class communication. We would prefer to communicate directly with parents as some students are better messengers than others 😊

Survey – communication platforms
In this modern world I know we all receive messages and information constantly. Perhaps this format of ‘Newsletter’ is slightly out-dated and needs to be examined for it’s effectiveness and usefulness. Increasingly our school uses Facebook and messaging through the school app to contact you…

Next week I will be asking you to complete a very brief survey about communication methods and ‘platforms’ (eg. Facebook, email, website). Please look out for it and submit it either online or on paper to the school office.

Enjoy your weekend,

Nick Thomson
Principal
DEPUTY PRINCIPAL’S REPORT

Welcome Back
Welcome to all our new and established families to another purposeful and inspired year of learning at Ironbark Ridge Public School. We hope that during 2016 your family can join in some of our planned activities. A Parent Planner for Term 1 is included in this newsletter for your convenience. Please also keep an eye on the calendar on our website or school app – it will be updated as events are planned.

Welcome to ‘Big School’
Kindergarten students have now completed 2 full weeks of ‘big’ school, but from walking around the classrooms, you would have thought they had been here for much longer! It was wonderful to see so many parents attend our Kindergarten Breakfast this morning. Thank you to Mr Brent and the Kindergarten team for organising a delicious morning.

Student Leaders
There are many ways for students to showcase their leadership skills at Ironbark Ridge. We have School Captains, Vice Captains, Prefects, House Leaders and Library Monitors. We also have Years 5 and 6 leaders called ‘Buddies’ who do an outstanding job assisting our younger students in the playground. They help Kindergarten and Year 1 students in using specialised play equipment safely, teach them simple games to play without equipment, and assist students in the Kindergarten COLA. Our Buddies are learning valuable skills in leadership and are already showing their eagerness to support others. I know our Kindergarten students (and teachers!) appreciate the assistance of these students.

Last week, Mrs Sayer and I had the pleasure of helping out at the District Leadership Camp at Vision Valley. Chloe, Preston, Alana and Liam are very eager to share what they have learned as well as some school initiatives they had devised during camp and are keen to implement at school. We look forward to working with them during 2016 as they model ‘student voice’ and leadership for all of our students.

Leadership Induction Assembly
On Wednesday 17th February, we will induct all student leaders into their various roles in the school. If your child is a School Captain, Vice Captain, Prefect, House Leader, Library Monitor or a leader in the Buddy program, then you are more than welcome to attend this special whole school assembly in the school hall at 2pm.

Scripture
SRE (Special Religious Education) classes will begin Wednesday next week, 17th February at 11.30am.

Warm Regards,
Kerrie Pho
Deputy Principal

KINDY CAPERS

Kindergarten has had an enjoyable start to the 2016 school year. Thank you for helping your child to make a smooth transition to ‘big school’. It was great to see so many parents at our Meet the Teacher night on Monday and at our Kindy BBQ Breakfast this week.

Many parents have asked what they can be doing at home to help their child’s development. One of the most important things you can start working on with students at home is name writing. They not only need to be able to write their name quickly and legibly but it needs to be of a size that is not too large. Please reinforce that first letter of their name is a capital letter with the other letters being lower case. Activities that develop fine motor skills are also very important to student development. Activities include play doh, colouring, cutting etc. There are a huge number of activity suggestions on the Internet. Parents who attended Monday evening will have received sight words for Term 1. If you were unable to attend please ask your child’s teacher for the list. It’s best to try and get children reading and writing 3-4 of these then gradually introduce one new word at a time so that students are working with some familiar and unfamiliar words. There is a wealth of print used in all our daily environments so be sure to take advantage of opportunities to get your children to read and recognise words in a variety of contexts and fonts.

We are currently establishing daily routines that will be followed throughout the school year and encouraging students to develop their independence. We are encouraging students to be responsible for their own belongings, including hats, lunch boxes and drink bottles. All classes take a plastic tub out to recess and lunch for students to place their belongings in during play time, but despite our best efforts some items still do manage to go missing. If you are missing items, please check the lost property table outside the hall.
Ensure that all personal items such as hats, lunch boxes and drink bottles are clearly labelled with your child’s name. This assists us to return lost items to their rightful owner.

Our Kindy students are now participating in morning assembly with the whole school. Students should be putting their bags down in class lines underneath the E Block Kindergarten COLA before proceeding to the canteen COLA or handball courts. When the bell rings, students sit in class lines beside their appropriate cones, in front of the flags.

Many thanks to all families who have sent in classroom supplies. If you haven’t already done so, please send items in as soon as possible. Don’t forget that library bags need to come to school every Tuesday and sport clothes worn on Tuesday and Thursdays.

We hope you have a great weekend!

STAGE 2 SNIPPETS

A warm welcome to all of our Stage 2 families, we look forward to meeting you all in the near future. We have been very impressed with how quickly our students have settled into their new classrooms and our learning programs are up and running for the term. Thank you to all of those parents who have organised their child with the classroom requirements, we greatly appreciate your support.

Class information sheets have been sent home and our Parent Information Night held on Wednesday 10th February was an excellent way to communicate the Stage 2 expectations and learning programs for Term 1. Thank you to all of the parents who attended.

An invitation is extended to you to attend an Informal Meet the Teacher afternoon next Wednesday 18th February starting at 3.30pm. Come down to your child’s classroom where tea, coffee and biscuits will be provided and you will have the chance to meet your child’s teacher and have a chat with other parents of children in the class. If you have concerns regarding your child please make an appointment to speak with the teacher over the next few weeks.

Our students swam well and did themselves proud at Monday’s annual swimming carnival. Their behaviour and participation was excellent. Please encourage your child to attend the Swimming Scheme in Term 4 if they aren’t a confident swimmer as we would love to see everyone have a go in the swimming carnival next year.

Upcoming events for your diary;

- **Informal Meet the Teacher** afternoon next Wednesday 18th February starting at 3.30pm.
- **PSSA sport starts** this Friday 12th February. Permission and Code of Conduct notes need to be in before the 12th.
- **Year 4 Broken Bay Camp** Monday 22nd February – 24th February. Camp requirements sheet to be sent home shortly. Also, Sport and Recreation medical form needs to be filled in online by each parent by end of Week 4.
- **Chinese New Year incursion** Dumpling Making Week 5 and 6. Permission notes need to be returned asap please. During class usual Chinese lesson time. Red and yellow mufti this Friday for Chinese New Year. Fried rice and fortune cookies on sale from the canteen.

Looking forward to a wonderful term of learning!

Kind Regards
Stage 2 Teachers
Welcome to Stage 3, 2016! We hope everyone enjoyed a restful holiday and have returned ready to begin an exciting and eventful year. In keeping with the Olympics, our classes have been aptly named. It is a theme that will bring great camaraderie and some healthy competition throughout the year.

For the parents who were able to join our ‘Parent Information Evening’ we hope you found it informative. Please remember you don’t need a formal occasion to catch up with your class teacher if you have any concerns. Simply request a time to catch up by making an appointment with the office. Put a ‘save the date’ in your calendar for Wednesday 17th February. We are hosting a ‘Meet the Teacher’ afternoon.

As always, we have a busy term ahead of us with many terrific activities planned. On the academic front, Stage 3 will be immersed the topic of Colonisation and will explore concepts of journeys, stereotypes and perspective, as well as preparing for NAPLAN and Selective testing. On the extra-curricular front, we encourage all students to ‘have a go’ and try out for the various teams and activities on offer, from sports teams to dance groups, chess teams to Tournament of Minds teams. Regular leadership development training will take place, open to all those in positions of leadership, or aspiring to leadership roles, who wish to participate. We look forward to a great term ahead.

**CHINESE NEWS**

Nǐmen hǎo！你们 好！
Xīnnián kuài lè! Gōng xǐ fā cái! 新年快乐！恭喜发财！

Happy Chinese New Year everyone! Feb 8 sees the beginning of the Year of the Monkey and to celebrate we will be having fried rice and fortune cookies for sale in the school canteen on Friday 12 Feb. Fried rice will be $2 a cup and fortune cookies will be 50c each. We will also be having a special incursion in Weeks 5 and 6 so that students can experience the art of making Chinese dumplings. This is a traditional food eaten at New Year to symbolise wealth and prosperity and students will be involved in not only making but also eating their creations. A note has been sent home with more information.

**ADMINISTRATION**

Invoices will be going home with your children next week. Due to a computer glitch, addresses entered in our enrolment system are not always feeding across to our invoice system. In some cases they are not feeding across at all. I apologise now if you have advised us of a change of address and it appears it hasn’t been updated. I can assure you we do update the addresses in the enrolment system.

I would like to remind parents not to walk your children through the staff car park at any time. There are signs at both entrances stating No Pedestrian Access. We have cars entering and leaving at any time and also trucks making deliveries throughout the day. Please teach your children to walk around the pathways.

Thank you.
Allison Batten
Administration Manager.

Dear Parent/Caregiver

Over the past several years Northmead Creative and Performing Arts High School has been implementing a Gifted and Talented Academic Program, the entry to which has become extremely competitive.

Selection into this academic program is based on an entrance examination. This year, for the 2017 placement, we will be conducting a Higher Ability Selection Test (HAST). Please note that this program is for selection to the academic program, rather than the Creative and Performing Arts stream. However, the two streams are not necessarily mutually exclusive. The cost to parents for this examination is $65.00 payable on application (non-refundable).

Testing will occur on Thursday 24th March 2016 from 9.00am to 1.00pm at Northmead Creative and Performing Arts High School in the library. There will be Four (4) tests which will include:

- Reading Comprehension
- Written Expression
- Mathematical Reasoning
- Abstract Reasoning

There will be a short break between tests.

Candidates who arrive late for the first test will be admitted only at the discretion of the supervisor, and additional time will not be allowed.

Parents who are interested in applying for a placement in this class should in the first instance contact the school for further details and ask to speak to Michelle Vallejo or the Principal, Narelle Vazquez or the Head Teacher, Gifted and Talented, Katarina Parry.

Yours faithfully

K Parry

Dear Parents and Students,

As one part of the whole-school Gifted and Talented program at Kellyville High School, an Extension and Enrichment class is run in Year 7, with follow-on where appropriate in subsequent years.

Entry into the Year 7 Extension class for 2017 will be based on a number of criteria. One of the major components in assessing suitability will be the results of a standardised test, set by an external and independent educational body. Test material is supplied and independently marked by the University of New South Wales (UNSW Global). There is an administration fee of $30 which parents are asked to pay. This covers the cost of the test administration and marking by the University of New South Wales.

Interested Year 6 students will have the opportunity to sit for the General Achievement Test at Kellyville High School on Tuesday 5 April 2016. Parents will need to bring their child to the school hall at 8:30am and pick them up at 11:45am, from the area near the Administration Office, after the completion of the test. There will be a 15 minute recess break during the test, so please send your child with something to eat and drink. Further information will be supplied to those who apply.

If interested, please complete the slip below and return it to the school before Monday 7 March 2016. Payment should be made at the time of application, however, if there are financial difficulties please contact the school so other arrangements can be made.

Yours faithfully,
