Zone Swimming Champions!!
Wow! What an amazing effort last Friday by our whole team of representative swimmers to win the Ridges Zone swimming carnival for the first time ever. Personal bests and super-human efforts were the flavour of the day from every Ironbark Ridge student who swam. Two of our four relay teams are off to the Sydney West Area carnival in a few weeks time, along with many of our individual event swimmers who will represent the Ridges Zone. Special congratulations to Lucy Fuccenecco who was crowned Junior Girls’ Champion.

Dads’ Hot Dog Day
Next Tuesday we are holding our annual Dads only helping-out day by cooking Hot Dogs for the students. Dads available can arrive from 11am to help set up and cook. Serving will be from 1pm and we should be cleaned up and done by 2pm. This is an excellent opportunity to be a part of the school community, to meet other Dads, and to assist in fundraising for our P&C. See you next Tuesday!
Hot Dogs are on sale for $5 with a drink (bottled water or juice box) through FlexiSchools until Monday as well as using cash over the counter on the day. Look out for the flyer in schoolbags today and expect small children to annoy you until you order one for them 😊

Disco
Our first SRC (Student Representative Council) organised disco for 2016 will be held next Wednesday night 16th March in the school Hall. The theme is ‘Hollywood’ as shown on the posters already up around the school. The K-2 students’ disco will run from 5.00 until 6.15pm and the Years 3-6 disco from 6.30 until 8pm. Tickets to the disco are $10 each ($25 max. for a family) and will be on sale on the pathway next Monday and Tuesday morning and afternoon, as well as at the door on Wednesday night.

P&C meeting – next Wed.
Our P&C meeting for Week 8 is on the same night as the SRC Disco, Wednesday 16th March, and will be held in the Library from 6.30pm (an early start) to allow parents to drop their children into the disco first. P&C will be completed by 8pm to
ensure the arrangement is simple and children can be collected from the disco on time. We hope to see a few extra attendees at the P&C meeting - part of our gathering will be social time to meet other parents and enjoy a snack.

School Photos
Despite a few ordering, email and flyer hiccups our annual photo day went extremely smoothly with our new provider. Remember that you can still order class and individual photo packs online using the flyer code sent home. If you need the details here they are: www.theschoolphotographer.com.au with the code X177EL37R

Environmental Leaders
Ms Adams is co-ordinating our Ridgy Didge Rangers environmental program, offering further leadership opportunities to our students and also ensuring waste from our classrooms is sorted and paper recycled. Parents and families can be a part of this initiative through monitoring the amount of packaging you send to school in lunchboxes and schoolbags – a huge amount is currently being used for the recess and lunch foods our students are eating!

Selective High Schools Test
Congratulations to all of our Year 6 students who sat the Selective High Schools Test on Thursday this week! Well done 😊

Chocolate Easter Eggs
In advance, a huge thank you to the parents who are selling boxes of chocolate eggs as a fundraiser for the P&C. We are hoping to raise enough funds to install giant ceiling fans in our school hall ready for next summer – this will make a huge difference to the comfort levels on hot days!

Traffic care please
As our school frontage becomes busier with over 650 students at our school I would like to think people are being more careful and following basic road and traffic rules. Unfortunately I (and others) have witnessed some very dangerous behaviours. Stopping your car in the lane of moving traffic is not safe. Find a park or turn at either round about and try again please. I even witnessed a parent who had stopped their car in the middle of the road tell their child to get out of the car and walk to the kerb through parked cars and into school! Please, for our students’ safety, follow road rules even if it takes 5 more minutes of your time.

Yours in teaching and safety,

Nick Thomson
Principal

DEPUTY PRINCIPAL'S REPORT

Leadership Day
Our student leaders had a brilliant day last Monday at the National Young Leaders Day at Homebush. They listened to inspirational leaders from many different fields within the community and were encouraged to reflect on their leadership skills. The theme of the day was ‘Master the Little’. Our leaders came to learn that great leaders don’t have to do something grand to make an impact – it’s the little things we do which lead to greatness.
Outstanding Teaching Practices
We are fortunate at Ironbark Ridge PS to have teachers who are dedicated to practical and continual professional development. We started this week on a project called ‘Collaborative Planning Rounds’. This involves teams of teachers planning differentiated lessons based on assessment data, and then observing the lesson being taught in each classroom. By facilitating time for teachers to engage in these practices, we are supporting teachers to examine teaching practice and the impact this has on student learning.

Tell Them From Me
Parents, a correction about the Tell Them From Me student survey – the survey will only be completed by students in Years 4 – 6. My apologies for any confusion caused.

Attendance
We work in partnership with parents to promote and support regular student attendance. Students are required to attend school every day the school is open for instruction. As part of our duty of care, we record and monitor part or whole day absences. When students are away, it is important that the absence is explained within 7 days from the first day of the period of absence. You may explain the absence through telephone call, a written note, or via our school app. The 7 day timeframe is a requirement of the Education Act (1990). You may also receive a reminder to explain an absence. Please assist us by completing any explanation requests promptly and returning them to school with your child. Please also note that partial absences (late to school or early departure) must be explained by a parent. If you have any concerns about your child’s attendance at school, please do not hesitate to contact the school so we can work together to support you and your child.

Rising Star
It is always a pleasure to acknowledge and celebrate the achievements of our students outside of the school arena. Holly in 2 Italy has successfully auditioned for a role in the Hills Musical Theatre Company’s production of Joseph and the Amazing Technicolour Dreamcoat. Congratulations Holly, we are very proud of you.

School Mascot
Meet our school mascot, Ridgy. He reminds our students of the school expectations: to Be Safe, Be Respectful and Be Responsible in all areas of the school. He recently visited the Kindergarten classrooms as a thank you for their outstanding start to school. If you happen to see Ridgy during a whole school event, please don’t hesitate to say hello!

Rouse Hill Town Centre Colouring In Competition
Mr Thomson and I will have the honour of judging the Rouse Hill Town Centre Easter Colouring In Competition on Sunday 20th March. If you would like your child to be involved, please register via the attached website. http://www.rhtc.com.au/colouring-in-competition (See more information at the end of the newsletter)

Kind Regards,
Kerrie Pho

**KINDY CAPERS**

Term 1 is well underway. What a fantastic start to the year it has been.

Thank you to parents who are dropping their children off at school and leaving so that they can establish friendships and be ready to enter the class room in a settled manner. This activity of “kiss and drop” is encouraged for all the children.

Please remember to continue to learn the Term 1 sight words at home. The aim is for these words to be identified and recited quickly by students. This will assist them with starting to read basic readers. Reading to your child every night will reinforce simple reading behaviours taught at school such as; turning the pages, where to begin reading, looking at the pictures etc.

The Easter Hat Parade is on the 24th of March. Student will create their Easter hats at school. However, if you wish to make one with your child at home feel free! Further information will be sent home at a later date.

The K-2 school disco is on next Wednesday, the 16th March at 5:00-6:15pm. The disco offers your child the chance to develop friendships in an informal setting. This activity is fully supervised by staff inside the school hall. Tickets can be purchased on the night.

The ES1 team

**STAGE 1 SNIPPETS**

What a fun week it has been! We travelled back in time to 1889 and discovered what farm and school life would have been like for children in that era. It was a fantastic opportunity to explore our local history as many students had commented that they had seen the old school house on their travels but did not realize what it was. Students got into character with costumes and a name change. Gertrude, Martha, Celia, Flora and Beatrice were all present as were Montague, Joseph, Harvey, Frederick and Reuben. Students experienced a 19th Century classroom where they were instructed to sit in absolute silence whilst the teacher checked their hair for lice, their finger nails and their posture. They used a slate and chalk to draw the lifecycle of a moth after singing the National Anthem of the time, God Save the Queen. Students were very proud of their first sewing masterpiece, a representation of the original school building.

The farm experience opened their eyes to how people collected water using a pump as well as some of the traditional chores for boys and girls. Although we had a great time, students were very happy to rejoin the 21st Century at the end of the day!!

The Easter Hat parade will be held on Thursday 24th March. Students will need to create a fun easter hat at home and bring it to school on Wednesday 23rd March ready for the parade.

Stage 1 Teachers
STAGE 2 SNIPPETS

Stage 2 children have now been taking part in the Words Their Way program for a number of weeks, and have been enthusiastically sorting their word lists according to sound, pattern and meaning. If your class teacher is sending home word sorts as part of weekly homework we encourage you to take part in the activities with your child as we think you will find it quite interesting. We are planning to hold parent information sessions early in Term 2 so please keep an eye out for the details.

Children have been enjoying learning about Australia’s original inhabitants as part of our integrated unit focusing on history and science. We had some fantastic Dreaming stories presented by the children for their major homework task. It has been wonderful to see the different ideas and amazing creativity that our students are capable of.

Our Easter hat parade will be taking place on Thursday 24th March. Children in Stage 2 will need to make a hat at home to wear on the day. Further details to follow.

Finally, the children had a fantastic time recently making and eating their Chinese dumplings. It was wonderful to see them so excited and engaged, resulting in some very full stomachs!

Kind Regards
Stage 2 Teachers
Thank you Mrs Przyembel – You Are the Best!

Ironbark Ridge had a great time learning about the ingredients and method used to make Chinese dumplings. Check out the smiles on these kids making and eating their yummy dumplings.
2016 Premier's Reading Challenge

We are pleased to announce that the 2016 Premier's Reading Challenge is now open. The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

The Premier's Reading Challenge (PRC) is available for all NSW students in Kindergarten to Year 9. Booklists are available on the PRC website:

https://online.det.nsw.edu.au/prc/home.html

Reading logs are also accessed via this website. To logon students use their normal Department of Education username and password.

Happy reading!

Mrs Carter

RIDGES ZONE SWIMMING CARNIVAL

Last Friday, we had the absolute pleasure in accompanying our Ironbark Ridge Zone Swimming team to the Ridges Zone Swimming Carnival, held at Blacktown Aquatic Centre. Our forty students in attendance swam extremely well and as usual, their behaviour was flawless.

Many swimmers swam in a large number of events races and never complained about being tired; well done on your great stamina. Many swimmers placed in the top three in their individual events and a number of students gained a place in the 50 metres Freestyle Finals. The support shown to each other was outstanding. Once again our students looked fantastic in the iridescent lime green caps and we were easily visible in the water.

For the first time since the Ridges Zone began, Ironbark Ridge came FIRST in the overall point score and also in the handicapped score. What a remarkable achievement! We would like to thank all parents for their continued support.

Lucy won the Junior Girls Age Champion and had a number of swimmers who placed either second or third in their age group. Congratulations to all swimmers.
The following swimmers will now represent Ironbark Ridge and the Ridges Zone at the Sydney West Regional Swimming Carnival which is being held on Thursday 24th March - Tori, Chelsea V, Lucy, Holly, Annaliese N, Hayley N, Ashell, Oliver, Carter, Preston, Tom, Liam, David, Winston, Owen. Good luck to all swimmers.

Apologies to Lucy for leaving her out of the swimming records broken at our school swimming carnival - she broke her sister's, Veronica, record in the Junior Girls 50m Breaststroke. Well done Lucy.

Thanks
Judy Paton and Tracy Sayer
Team Managers
Come dressed as your favourite movie character!

When: Wednesday 16\textsuperscript{th} March
Time: K-2 – 5:00pm – 6:15pm
3-6 – 6:30pm – 8:00pm
Cost: $10 per child or $25 for a family ticket. Cost includes drink, chips, a glow product as well as a chance to win a lucky door prize.

Presale tickets will be available on Monday 14\textsuperscript{th}, Tuesday 15\textsuperscript{th} and Wednesday 16\textsuperscript{th} March in the morning from 8:30am and in the afternoon from 2:45pm.
ADMINISTRATION NEWS

Term Invoices were due on the 4th March. Thank you to all families who paid their invoice by the due date. Any families who have not yet paid their term invoice, could you please make payment to the school as soon as possible.

Thank you,
Allison Batten,
School Administration Manager.

February 2016

Dear Parent/Caregiver

Over the past several years Northmead Creative and Performing Arts High School has been implementing a Gifted and Talented Academic Program, the entry to which has become extremely competitive.

Selection into this academic program is based on an entrance examination. This year, for the 2017 placement, we will be conducting a Higher Ability Selection Test (HAST). Please note that this program is for selection to the academic program, rather than the Creative and Performing Arts stream. However, the two streams are not necessarily mutually exclusive. The cost to parents for this examination is $65.00 payable on application (non-refundable).

Testing will occur on Thursday 24th March 2016 from 9.00am to 1.00pm at Northmead Creative and Performing Arts High School in the library. There will be Four (4) tests which will include:

- Reading Comprehension
- Written Expression
- Mathematical Reasoning
- Abstract Reasoning

There will be a short break between tests.

Candidates who arrive late for the first test will be admitted only at the discretion of the supervisor, and additional time will not be allowed.

Parents who are interested in applying for a placement in this class should in the first instance contact the school for further details and ask to speak to Michelle Vallejo or the Principal, Narelle Vazquez or the Head Teacher, Gifted and Talented, Katarina Parry.

Yours faithfully

K Parry
Gifted and Talented Co-ordinator

PENRITH OBSERVATORY
SCHOOL OF COMPUTING, ENGINEERING AND MATHEMATICS

DADS & KIDS ASTRONOMY NIGHT
The Penrith Observatory will be hosting a “Dads and Kids Astronomy Night” on Saturday 19 March from 8.00 pm – 10.00 pm. All fathers, grandfathers, kids and grandkids are invited to attend. This evening is for everyone and age is no barrier to spending an evening with the family and the stars.

Professor Mirzav Filipoic, Director of the Penrith Observatory, will make a presentation on “Aliens – Noo! – What is the likelihood of aliens and are they really unique?”

The presentation will be followed by a 3D astronomy movie, a tour of the dome area and 0.6m telescope, and viewing of the night sky through the university’s computerised telescopes. The Western Sydney Amateur Astronomy Group will also be on hand to help with the viewings.

To book and pay for tickets visit the “What’s On” page at westernsydney.edu.au/observatory
COST: $10 for adults, $12 for children/concessions or $50 for a family.

ROUSE HILL RAMS
FOOTBALL4ALL

The Rouse Hill Rams Soccer Club are delighted to announce that we will be offering the NSW Football4All program at our home ground in the 2016 season.

Football4All was established in 2008 to further develop the special needs football programmes of Football NSW and create a support network for volunteers, coaches, parents and players involved in special needs football.

The FNSW football4All program
- Values inclusion and participation for players aged 5 and above, whether you’re an experienced player or new to the sport.
- Provides engaging mentors to cater for individual needs using person centred coaching principles.
- Helps each player build confidence and experience success with each activity.

FOR MORE INFORMATION VISIT RAMSSOCCE.COM.AU
OR THE ROUSE HILL RAMS SOCCER CLUB FACEBOOK PAGE

Proudly sponsored by ORION.
Our Club has vacancies for girls turning these ages in 2016
5yrs, 6yrs, 7yrs for a Net Set Go skills programme being held on Wednesday 4.30pm to 5.30pm at our training courts.

7yrs Net Set Go training held on Wednesday 5.30pm to 6.30pm then skills session & modified game on Saturday morning.

10yrs training held Wednesday 5.00pm to 6.00pm Games held Saturday morning.

Training Courts:- Ted Horwood Reserve, Renown Road Baulkham Hills. All games on Saturday played at Baulkham Hills Shire Netball Complex Kellyville.

These vacancies are limited, so if you would like to play netball or would like to learn to play netball. Contact our club registrar for all details for your age group & to register.

Email registrar:- net2146@gmail.com please include a phone no. that you can be contacted on.

WE TEACH YOU HOW TO PLAY & ENJOY NETBALL.
