8th February, 2016

Dear Parents / Caregivers,

Welcome back to another exciting year at Ironbark Ridge! Students once again have the option of purchasing book covers.

The high quality book-covers are reusable, recyclable, super quick to put on, sizes fit perfectly and are more convenient and less time consuming than the old way of applying a paper cover and then contact. The covers are also made using recycled content.

Each student from Kindy to Year 6 will receive the new slip-on covers for each of their school books i.e. Science, Mathematics, English etc. They also come in A4 and scrapbook sizes to accommodate all books. The cost per student for one set of book covers is $10.00.

If you do not wish to purchase these exciting and colourful book covers, please tick the box below and your child will bring home all of their books for you to cover and contact.

The students are very excited to have these fun and colourful covers for their books.

Please tick your choice of purchasing or not purchasing the covers and send the note back with the payment of $10.00 per child for a set of covers.

Yours Sincerely,

Mrs Michelle Cauchi
Stage 2 Assistant Principal
